Subject: Raised Minimum Rates for Institution Treatment Director-Chapter 980

Pursuant to s. 230.12, Wis. Stats., the Director of the Office of State Employment Relations (OSER) has the authority to establish raised minimum rates (RMRs) for recruiting, hiring and retaining employees when competitive labor market conditions have been evaluated and the minimum rate is determined to be below the market rate for a class or subtitle for a classification, or when a class or subtitle for a classification has unique requirements and it is unlikely that quality applicants would be available under such conditions.

An RMR for Institution Treatment Director-Chapter 980 (class code 52350) of $66.747 per hour is established effective March 24, 2013. The need for continuation of the RMR will be periodically reviewed, and it will remain in effect until an expiration date is set by OSER.
