

**STATE OF WISCONSIN
STATE ACCOUNTING MANUAL**

SECTION:	I Overview	EFFECTIVE DATE:	July 1, 1993
SUB-SECTION:	4 - Table Access	REVISION DATE:	July 1, 1993
SUBJECT:	Policy	PAGE:	1 of 1

TABLE ACCESS

Access to tables is controlled by a user's security clearance. If a user has security clearance for only their agency they will only receive access to their agency's information. If a user has security clearance for more than one agency, they would be allowed access to table information for those agencies as indicated by their security clearance. User's access is also restricted by the actions they are authorized to perform on the tables (i.e., inquiry, update).
