Wisconsin Accounting Manual Update

The Wisconsin Accounting Manual has been updated. 15 sections are included in the update. Please see the revision tracking worksheet at the top of the Wisconsin Accounting Manual website:

<http://doa.wisconsin.gov/Divisions/Budget-and-Finance/DEBF-Information-for-State-Agencies/Wisconsin-Accounting-Manual/> Please note that the last tab in this worksheet summarizes the changes within this update.

The next update is scheduled for early September. Please email the Wisconsin Accounting Manual SME (see Section 01-03) if you have any questions or are looking for additional policy guidance.

Thank you.
