

NASPO Computer, Laptop and Tablet Catalog

When placing orders with Microsoft a second step will need to be taken for payment. After an order is sent to Microsoft, a confirmation email with a secure link will be sent to the email address on the order. User will need to open the secure link and follow the directions to enter your pcard information. This will need to be done for each WISBuy order placed.

This step is for the security of each users PCard. If you have any problems with this link you can contact Mike Meirovitz at michmei@microsoft.com.

If you have any problems please email the KIT Team at doawispro@wi.gov
