Mission Statement...

- The Office of State Employment Relations (OSER) mission is to provide innovative human resources leadership and strategic direction to Wisconsin state government in order to maximize the quality and diversity of the state's workforce.

Vision Statement...

- OSER's vision is to continuously improve the effectiveness and efficiency of the state's human resource system through communication, partnerships, and strategic application of best practices to Wisconsin state government.

W-2 HIRING REPORT FY 2007
PREPARED BY THE
OFFICE OF STATE EMPLOYMENT RELATIONS
September 2007

STATUTORY MANDATE

Section 230.147 Wis. Stats., requires state agencies with 100 or more full-time equivalent (FTE) positions to annually prepare and submit to the Office of State Employment Relations (OSER) plans to hire customers of the Wisconsin Works (W-2) program, and to report on achievement of program goals. Agencies with fewer than 100 FTE positions are encouraged to participate in the W-2 employment program. The State Fair Park Board is required to participate by state law and is, therefore, always included in the report.

The goals of the W-2 employment program are to ensure that W-2 customers are: (1) employed in state service in the same ratio as the ratio of persons receiving W-2 to the state civilian labor force; and (2) enabled to become economically self-sufficient.

WISCONSIN WORKS (W-2) EMPLOYMENT STANDARDS

In 1989, the Department of Employment Relations (now the Office of State Employment Relations) established standards and guidelines (revised in 1997) that could be used by state agencies to prepare plans to employ customers of the W-2 program. The FY07 goal was established at 2.5 percent of new original hires.

GOAL ACHIEVEMENT - FISCAL YEAR 2007

In FY07, of the 2,576 new original hires to state employment, 153, or 5.9 percent were W-2 participants.

The attached reports, Permanent W-2 Hires Report – Number of Agency Hires for FY07 and Permanent W-2 Hires Report – Number of Hires by Classification for FY07, provide details on number of new original hires by agency and university campus and number of new original hires by classification title.

RESOURCES AVAILABLE TO ASSIST AGENCIES ACHIEVE W-2 GOALS

The Office of State Employment Relations and the Department of Workforce Development (DWD) provide resources to help agencies recruit, test, certify, and retain W-2 customers. Some of those resources are listed below.

Certification Methods

To assist agencies in meeting their W-2 hiring goals DMRS offers the W-2 Certification. Agencies may request a W-2 certification that uses W-2 as a special qualification under ER-MRS 27, Wis. Admin. Code (Exceptional Methods and Kinds of Employment). The W-2 certification contains only individuals currently eligible for W-2 services. Agencies should contact the appropriate DMRS Human Resource Consultant for information about W-2 certifications.
