Classification Structure Modification

Locator No: OSER-0160-MRS/SC

Pursuant to s. 230.09(2)(am), Wis. Stats., the Director of the Office of State Employment Relations (OSER) shall “. . . establish, modify or abolish classifications as the needs of the service require.” The Director has delegated authority to create classifications used exclusively by the University of Wisconsin Hospital and Clinics Board (UWHC) to the Board. In accordance with the collective bargaining agreement between the UWHC and the Wisconsin State Employees Union, the effects of classification changes including the compensation structure must be negotiated between the parties. These parties have recently successfully completed negotiation of the compensation structure and related matters, and the Director of OSER is publishing the new classifications associated with that agreement. Regardless of the actual notification date to employees, the **effective date is February 28, 2007**, unless otherwise stated.

Publish notice, on behalf of the University of Wisconsin Hospital and Clinics (UWHC), of the creation and/or modification of the classification structure for positions employed by the UWHC Board, as negotiated between the UWHC and the Wisconsin State Employees Union, **effective February 28, 2007**. Use of these classifications is limited exclusively to the UWHC, and the specifications will not be posted on the Office of State Employment Relations website, although the titles will appear in a section of the Alphabetical Listing of Classifications devoted exclusively to UWHC classification listings. Questions regarding the coding structure, pay range assignment or affected positions may be directed to Joan Busch at 263-6931 or via e-mail at jbusch@uwhealth.org.

Alphabetical Listing of Classifications:

The Alphabetical Listing of Classifications (Alpha List) is also available on the OSER website at <http://oser.state.wi.us/docview.asp?docid=1425>.
