Announcement: FY12 Vehicle Turndown Rate

Effective: December 1, 2011
Discard: On replacement

The state vehicle "turndown rate" is required under s.20.916 (4).

OSER sets a rate for reimbursement of employee-owned vehicles. A lower rate applies when an employee turns down an available state car.

(4) USE OF PRIVATELY OWNED AUTOMOBILES.

(a) If any state agency determines that the duties of any employee require the use of an automobile, it may authorize such employee to use a privately owned automobile in the employee's work for the state, and reimburse the employee for such use at a rate set at least biennially by the office of state employment relations under sub. (8), subject to the approval of the joint committee on employment relations.

e) When an assigned or pool state-owned automobile is available and tendered to an employee, and the employee exercises the option to use the employee's privately owned automobile on state business, the mileage allowance shall be at a rate equal to the approximate cost per mile of operation of state automobiles, including depreciation, as determined by the secretary of administration.

December 1, 2008 rate: 36.5 cents per mile

December 1, 2011 rate: 35.2 cents per mile

Mike Huebsch, Secretary
