PLEASE NOTE:

This list is only a guidance. State facilities using contract waste services should evaluate the suitability of a vender at the time of contracting. We recommend that you contact the DNR regional office to talk directly with staff assigned to the landfill you are considering using, to determine whether there have been any changes in the status of the landfill.

To find the appropriate contact, go to the following website address <http://www.dnr.state.wi.us/org/aw/wm/contacts/>. Then click on the county and refer to the contact person and phone number listed under "Solid Waste Requirements." The person listed will either be assigned to the site or know who is assigned. If you do not have web access you may call the appropriate Waste Management Regional headquarters at the following numbers:

Northern Region -- Spooner	(715) 635-2101
Northern Region -- Rhinelander	(715) 365-8900
West Central Region	(715) 839-3700
Northeast Region	(414) 492-5800
Southeast Region	(414) 263-8500
South Central Region	(608) 275-3266

It is important to contact DNR staff familiar with the site, since the status of each site may change at any time.
