Thank you for your interest in the State of Wisconsin.

This is the Continuing Disclosure Annual Report for the fiscal year ending June 30, 2009 (**2009 Annual Report**).

The 2009 Annual Report provides information on different securities that the State issues and fulfills the State's continuing disclosure undertakings. These undertakings of the State are intended to help dealers and brokers comply with Rule 15c2-12 under the Securities Exchange Act of 1934. As of this date, the State has filed the 2009 Annual Report with the Municipal Securities Rulemaking Board (**MSRB**) through the MSRB's Electronic Municipal Market Access (**EMMA**) system. EMMA receives, and makes available to the public, continuing disclosure documents and related information that is provided by issuers and obligated persons.

Official Statements for securities that the State issues during the next year may incorporate parts of this 2009 Annual Report by reference.

Organization of the 2009 Annual Report

The 2009 Annual Report is divided into eight parts. The first two parts present general information.

- **Part I** presents the **State's continuing disclosure undertakings**. A Master Agreement on Continuing Disclosure (Amended and Restated July 1, 2009) establishes a general framework. Separate addenda describe the information to be provided for specific types of securities.
- **Part II** presents **general information about the State**, including its operations and financial results. This part includes the General Purpose External Financial Statements portion of the audited Comprehensive Annual Financial Report for the fiscal year ending June 30, 2009. This part also includes the results of the 2008-09 fiscal year and information on the biennial budget for 2009-11.

The remaining parts present information about different types of securities that the State issues.

- **Part III – General obligations (including bonds, commercial paper, and extendible municipal commercial paper)**
- **Part IV – Master lease certificates of participation**
- **Part V – Transportation revenue obligations (including bonds and commercial paper)**
- **Part VI – Clean water revenue bonds**
- **Part VII – Petroleum inspection fee revenue obligations (including bonds and extendible municipal commercial paper)**
- **Part VIII – General fund annual appropriation bonds (including bonds and variable rate notes)**

Please note that certain terms may have different meanings in different parts.

“Supplemental Agreement” shall mean an agreement, substantially in the form of Exhibit B hereto, that either (i) determines that the Disclosure Agreement and a specific Addendum Describing Annual Report shall apply to a specific issue of Bonds or (ii) determines that the Disclosure Agreement (other than Sections 4 or 5, which concern Annual Reports) shall apply to a specific issue of Bonds.

2. Purpose of the Disclosure Agreement. The purpose of this Disclosure Agreement is to assist Participating Underwriters in complying with the Rule in connection with a primary offering of an issue of Bonds.

3. Application of the Disclosure Agreement. This Disclosure Agreement shall apply to an issue of Bonds when the Issuer executes and delivers a Supplemental Agreement. This Disclosure Agreement may apply in whole or in part, as specified by the Supplemental Agreement. This Disclosure Agreement may apply to more than one issue of Bonds but shall be construed as a separate agreement for each issue of Bonds. The purpose of having this Disclosure Agreement apply to more than one issue of Bonds is to promote uniformity of the Issuer’s obligations with respect to all issues of Bonds.

4. Provision of Annual Reports.

a. The Issuer shall, not later than 180 days following the close of the Issuer’s fiscal year, provide to the MSRB an Annual Report that is consistent with the requirements of Section 5 of this Disclosure Agreement.

b. If Issuer’s audited financial statements are not publicly available at the time the Annual Report is submitted, the Issuer shall submit them to the MSRB within ten business days after the statements are publicly available.

c. If the Issuer fails to provide an Annual Report to the MSRB by the date required in subsection (a), the Issuer shall send an Event Notice to the MSRB.

5. Content and Submission of Annual Reports.

a. The Annual Report shall be provided for each obligated person described in the Addendum Describing Annual Report, and it shall contain or incorporate by reference, the financial statements and operating data, and use the accounting principles, described in the Addendum Describing Annual Report.

b. The Annual Report shall be submitted to the MSRB in an electronic format, and accompanied by identifying information, as prescribed by the MSRB. As of the date of this Disclosure Agreement, the MSRB prescribes that all submissions of secondary disclosure be made through EMMA. The Annual Report may be submitted as a single document or as a package comprising separate documents. Any or all of the items constituting the Annual Report may be incorporated by reference from other documents available to the public on the MSRB's Internet Web site or filed with the Commission. The Issuer shall clearly identify each document so incorporated by reference.

c. Each time the Issuer submits information to the MSRB in accordance with this Disclosure Agreement, it shall confirm, in the manner it deems appropriate, the MSRB's prescriptions concerning the electronic format and accompanying identifying information. As of the date of this Disclosure Agreement, information on the MSRB's required electronic format and submission procedures through EMMA can be found on the MSRB's Internet Web site at www.emma.msrb.org.

d. To allow for uniformity of the contents of Annual Reports with respect to obligations that are similar in character, the Issuer may from time to time describe the contents in an Addendum Describing Annual Report and shall incorporate a description by reference in a Supplemental Agreement.

6. Reporting of Significant Events.

a. This Section 6 shall govern the giving of notices of the occurrence of any of the following events with respect to the Bonds, if material:

- i. Principal and interest payment delinquencies.
- ii. Non-payment related defaults.
- iii. Unscheduled draws on debt service reserves reflecting financial difficulties.
- iv. Unscheduled draws on credit enhancements reflecting financial difficulties.
- v. Substitution of credit or liquidity providers, or their failure to perform.
- vi. Adverse tax opinions or events affecting the tax-exempt status of the Bonds.
- vii. Modifications to rights of Bondholders.
- viii. Bond calls.
- ix. Defeasances.
- x. Release, substitution, or sale of property securing repayment of the Bonds.
- xi. Rating changes.

b. Whenever the Issuer obtains knowledge of the occurrence of a Material Event, the Issuer shall promptly file a notice of such occurrence with the MSRB. Notwithstanding the foregoing, notice of Material Events described in subsections (a)(8) and

(9) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to affected Bondholders if it is required pursuant to the Resolution.

c. Similarly, if the Issuer determines that it failed to give notice as required by this section, it shall promptly file an Event Notice with respect to such occurrence to the MSRB.

7. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Agreement with respect to an issue of Bonds shall terminate upon the legal defeasance, prior redemption, or payment in full of all Bonds of the issue or if the Rule shall be revoked or rescinded by the Commission or declared invalid by a final decision of a court of competent jurisdiction. If such termination occurs prior to the stated maturity of the Bonds, then the Issuer shall give an Event Notice with respect to such termination to the MSRB.

8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Issuer may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if the following conditions are met:

a. The amendment or waiver may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Issuer, or an obligated person, or the type of business conducted; and

b. This Disclosure Agreement, as amended or waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

c. The amendment or waiver does not materially impair the interests of Bondholders, as determined by an opinion of nationally recognized bond counsel, a certificate from an indenture trustee for the Bonds, or an approving vote of Bondholders pursuant to the terms of the Resolution at the time of the amendment or waiver.

In the event this Disclosure Agreement is amended or waived for any reason other than to cure any ambiguities, inconsistencies, or typographical errors that may be contained herein, the Issuer agrees to give an Event Notice with respect to such amendment or waiver to the MSRB in connection with the next Annual Report it files after such event, explaining the reasons for the amendment or waiver and the impact, if any, of the change in the type of financial statements or operating data being provided.

9. Additional Information. The Issuer may from time to time choose to disseminate other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or include other information in any Annual Report or Event Notice, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or Event Notice in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or Event Notice.

10. Default. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Resolution, and the sole remedy of a Bondholder under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action to compel performance. The Issuer reserves any defense it may have to any such action including that

this Disclosure Agreement violates sovereign rights or that no funds have been appropriated for performance.

11. Beneficiaries. The Issuer intends to be contractually bound by this Disclosure Agreement. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Participating Underwriters, and Owners and shall create no rights in any other person or entity.

12. Responsible Officer. Pursuant to a resolution adopted by the State of Wisconsin Building Commission on August 9, 1995, the Capital Finance Director has been authorized to execute this Disclosure Agreement on behalf of the Issuer and the Capital Finance Office has been designated the office of the Issuer responsible for providing Annual Reports and giving notice of Listed Events, to the extent required hereunder. Any inquiries regarding this Disclosure Agreement should be directed to the Capital Finance Office, Department of Administration, Division of Executive Budget and Finance, 101 East Wilson Street, Madison, Wisconsin 53702, Phone: (608) 266-5355, Fax: (608) 266-7645 or such other address, telephone number, or fax number as the Issuer may from time to time provide by an addendum hereto.

13. Satisfaction of Conditions. This Disclosure Agreement amends and restates the Master Agreement on Continuing Disclosure (Prior Agreement), executed and delivered by the Issuer and dated September 25, 1995. The Issuer finds and determines that the conditions stated under Section 8 of the Prior Agreement for amendment of the Prior Agreement have been satisfied and, more particularly:

a. The amendments are being made in connection with a change in circumstances that arises from a change in legal requirements or a change in law (namely, amendments to the Rule);

b. This Disclosure Agreement, as amended, would have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account the amendments to the Rule; and

c. The amendments do not materially impair the interests of the Bondholders, as determined by an opinion of nationally recognized bond counsel.

IN WITNESS WHEREOF, the Issuer has caused this Master Agreement on Continuing Disclosure to be executed by its duly authorized officer.
