CREDIT AGREEMENT

THIS CREDIT AGREEMENT is dated as of March 13, 2019 and is by and between the STATE OF WISCONSIN (the “**State**”), acting through the State of Wisconsin Building Commission (“**Building Commission**”), and PNC Bank, National Association, a national banking association (the “**Bank**”).

RECITALS:

The State has issued its State of Wisconsin General Obligation Commercial Paper Notes (the “**Original Notes**”), pursuant to Subchapter I of Chapter 18 of the Wisconsin Statutes (the “**Act**”), which authorizes the issuance and sale of public debt for up to the amount specified by the Wisconsin Legislature to acquire, construct, develop, extend, enlarge, or improve land, waters, property, highways, buildings, equipment, facilities, or to make funds available for veterans’ housing loans for the classes of public purposes specified by the Wisconsin Legislature as the funds are acquired. The State may issue, for the same purposes, additional general obligation commercial paper notes (the “**Additional Notes**” and, collectively with the Original Notes, the “**Notes**”).

The Building Commission adopted on March 20, 1997, and subsequently amended, a resolution authorizing the Notes (the “**Program Resolution**”), which Program Resolution authorizes up to \$300,000,000 in aggregate principal amount of the Notes and specifies certain details relating to the issuance and payment of the Notes.

The Program Resolution provides for the State to pay interest on the Notes on a current basis and to pay the principal of the Notes from (i) the proceeds from the sale of Notes, (ii) other moneys provided by the State, including the proceeds of long-term public debt authorized to fund the Notes, or (iii) a source of liquidity required, under the terms of the Program Resolution, to be provided by the State. In order to provide a source of liquidity for the payment of the principal of the Notes when due, the State has requested the Bank to provide a line of credit in an initial aggregate amount of \$185,000,000 that may be advanced in respect of the payment of the principal of the Notes (an amount that is not less than the principal amount of Original Notes Outstanding).

To induce the Bank to enter into this Agreement, the State has agreed pursuant to the Program Resolution to execute and deliver a Promissory Note to the Bank and to secure the payment of all amounts from time to time due and owing under this Agreement by pledging to the Bank, with respect to Advances made under this Agreement, its full faith and credit and unlimited taxing power to the payment of the Notes or the Promissory Note.

The Bank is willing to provide a line of credit to the State upon the terms and conditions herein set forth.

AGREEMENTS:

SECTION 2. ADVANCES.

2.1 The Advances.

(a) Extension of Credit. The Bank agrees, on the terms and conditions set forth in this Agreement, to make Advances to the State from time to time, during the period from the Effective Date until the Termination Date, in an aggregate principal amount not to exceed at any one time the Commitment, in order to provide a source of funds for payment of the principal of the Notes when due. Notwithstanding anything herein to the contrary, the Bank shall have no obligation to make an Advance if the sum of such Advance *plus* the aggregate principal amount of the Outstanding Advances made by the Bank would exceed the lesser of (i) the Commitment and (ii) the principal amount of the Promissory Note.

(b) Advance Notices. Each Advance shall be made by the Bank, on notice given to the Bank by the Issuing and Paying Agent on behalf of the State. Each such notice of an Advance (the “**Advance Notice**”) shall be by e-mail to directlabev1@pnc.com or other form of electronic transmission as agreed to by the Bank and the State. Each Advance Notice shall be in substantially the form of Exhibit B hereto, (i) certifying that the amount of such Advance *plus* the aggregate principal amount of all Outstanding Advances does not exceed the principal amount of the Promissory Note and (ii) specifying (A) the requested date for such Advance, which shall be a Business Day, and (B) the amount of such requested Advance. The proposed use of the proceeds of any Advance shall be to pay the principal of the Notes when due. The Issuing and Paying Agent will act as the State’s agent for the purpose of executing and delivering each Advance Notice, and the State hereby irrevocably appoints the Issuing and Paying Agent the State’s attorney-in-fact and proxy, with full authority in the place and stead of the State and in the name of the State to execute and deliver Advance Notices.

(c) Making the Advances.

(i) An Advance Notice must strictly conform to the terms and conditions hereof, and all the conditions precedent set forth in Section 3.2 must have been satisfied.

(ii) The Issuing and Paying Agent, acting on behalf of the State, shall give the Bank notice of its intention to borrow any Advance under this Agreement not later than 12:45 p.m. (Central time) on the requested borrowing date for each Advance, by delivering an Advance Notice.

(iii) Not later than 3:00 p.m. (Central time) on the date of such Advance and upon fulfillment of the applicable conditions set forth in Section 3.2, the Bank will make such Advance available to the Issuing and Paying Agent in immediately available funds by crediting the amount thereof to the State's Account.

(d) Reduction and Termination of Commitment.

(i) The State may, upon at least five Business Days' notice to the Bank, reduce the Commitment from time to time during the period from the date of such notice through the Termination Date, *provided* that (A) each such reduction of the Commitment shall be in an amount equal to \$1,000,000 or a multiple thereof, (B) the amount of the Commitment may not be reduced below the sum of the aggregate principal amount of the Outstanding Advances plus the aggregate principal amount of the Outstanding Notes, and (C) the Bank shall have received a certificate, substantially in the form of Exhibit C hereto, with respect to such reduction.

(ii) The State may terminate the Commitment at any time following written notice to the Bank in the form of Exhibit D hereto (with a copy thereof to the Issuing and Paying Agent). Upon any termination of the Commitment pursuant hereto, all Outstanding Advances, interest, fees, and other Obligations of the State under this Agreement shall be promptly paid or repaid in full to the Bank.

(iii) No prepayment fee, early redemption fee, breakage fee, funding indemnification payment, or similar fee shall be due for any termination or reduction of the Commitment or the prepayment of the Advances.

(e) Extension of the Commitment Expiry Date. No earlier than 365 days prior to Commitment Expiry Date and no later than 90 days prior to the Commitment Expiry Date, the State may make a request in writing to the Bank, in the form attached hereto as Exhibit E, that the Bank extend the Commitment Expiry Date for an additional period of not less than 364 days. The Bank has no obligation to extend the Commitment Expiry Date. If the Bank does not, within 60 days after receipt of such written request, notify the State and the Issuing and Paying Agent in writing, in the form attached hereto as Exhibit F, of its consent to such request and any conditions of such consent (including conditions relating to legal documentation, the amount of the Commitment, the term of the extension, and pricing), such failure of the Bank to consent shall be deemed a denial of the requested extension, and the Commitment Expiry Date shall remain unchanged. If the Bank gives notice of its consent, then the extended Commitment Expiry Date shall take effect on the date specified in the request or such other date as may be acceptable to the parties hereto. The terms of this paragraph (e) shall apply to additional

extensions of the Commitment Expiry Date if the Commitment Expiry Date has been extended upon the request of the State in accordance herewith by the Bank.

2.2 Repayment of Advances.

(a) Repayment of Principal. Unless prepaid pursuant to Section 2.1(d) or Section 2.2(h) of this Agreement, and so long as the conditions precedent set forth in Section 3.3 are satisfied on the date of any Advance, the principal of such Advance shall be paid in installments payable on each Amortization Payment Date (each such payment, an “**Amortization Payment**”), with the final installment in an amount equal to the entire then-outstanding principal amount of such Advance to be paid in full on the Maturity Date (the period from the date of such Advance to the Maturity Date is herein referred to as the “**Amortization Period**”). Each Amortization Payment shall be that amount of principal which will result in equal or nearly equal Amortization Payments over the Amortization Period. Upon each repayment of principal of the Advances prior to the Termination Date and so long as no Default or Event of Default has occurred and is continuing, the amount available for Advances shall be restored by the principal amount so repaid, up to an amount not exceeding the amount of the Commitment less the aggregate principal amount of the Outstanding Advances not so repaid. If the conditions precedent set forth in Section 3.3 hereof are not satisfied on the date of any Advance, the principal amount of such Advance shall be due and payable on the date of such Advance. Notwithstanding the foregoing, Advances shall be paid in full on the Termination Date (without regard to clause (iii) thereof).

(b) Payment of Interest.

(i) The State shall pay interest on the unpaid balance of each Advance at a rate per annum equal to the Base Rate plus the Applicable Margin, calculated on the basis of a 360-day year for the actual number of days elapsed; *provided* that the principal amount of any Advance shall bear interest at the Default Rate following the occurrence and during the continuation of an Event of Default until paid in full. Interest on Advances is payable on the first day of each May and November, commencing on the first day of May or November that is at least 45 days after the date of the applicable Advance, and upon the Maturity Date.

(ii) If the State shall fail to pay when due any amount due and unpaid under this Agreement, the Letter Agreement, or the Promissory Note, or any other Event of Default has occurred hereunder, all Obligations hereunder shall (to the extent permitted by applicable law) bear interest for each day from the date it was so due until paid in full at a rate per annum equal to the Default Rate, payable on demand.

(iii) .

(c) Illegality. Notwithstanding any other provision in this Agreement, if the Bank determines that any change in any law, rule or regulation shall make it unlawful for the Bank to maintain its Commitment, then, upon as much prior notice as is commercially practicable to the State by the Bank, the Commitment of the Bank shall terminate.

(d) Increased Costs, Etc. In the event any change after the date hereof in any law, rule, regulation or treaty, or in the administration, interpretation or application thereof by any court, Governmental Authority, central bank or comparable authority charged with the enforcement or administration or interpretation thereof, or the compliance with any guidelines or request from any Governmental Authority, central bank or comparable authority (whether or not having the force of law):

(i) subjects the Bank to any tax, deduction or withholding or changes the basis for taxation with respect to making or maintaining Advances (other than Taxes imposed on or measured by the income or profits of the Bank for any of such Advances by the jurisdiction where the Payment Office or any lending office where an Advance is maintained is located), or

(ii) imposes, modifies or deems applicable any reserve, liquidity ratio, special deposit, insurance premium (including any assessment or other cost imposed by the Federal Deposit Insurance Corporation or any successor thereto) or similar requirement against credits or commitments to extend credit extended by, or assets (funded or contingent) held by, or deposits with or for the account of, or loans by, or other acquisitions of funds by, the Bank, or

(iii) imposes upon the Bank any other condition or expense with respect to this Agreement, the Commitment of the Bank hereunder, or the making or maintaining Advances,

and the result of any of the foregoing is to increase the cost to the Bank, reduce the income receivable by the Bank, impose any expense upon the Bank or reduce the amount of any payment receivable by the Bank, with respect to this Agreement, or making or maintaining Advances, or with respect to the Commitment as reasonably determined and allocated by the Bank, by an amount that the Bank deems to be material, the Bank shall from time to time notify the State thereof by delivery of a certificate of an officer of the Bank of the nature described in the next sentence, and the State shall, subject to Section 2.2(o), pay to the Bank promptly, and in any event within 60 days after receipt of such notice, that amount which shall compensate the Bank (on an after tax basis, grossing up to cover any taxes payable by the Bank on such amount) for such increase in cost, reduction in income, additional expense, reduced amount or reduced rate of return; *provided* that the Bank shall use commercially reasonable efforts to treat the State in the same manner it treats other governmental customers that it deems, in its commercially reasonable discretion, to be similarly situated to the State. The foregoing shall not be construed to require the Bank to disclose to the State the identity of any other customer or details with respect to its lending relationship with any other customer. Such increased compensation shall be reduced or eliminated if the event causing such increase is modified or ceases to exist. The Bank will notify the State of any event which will entitle the Bank to compensation pursuant to this paragraph (d) as promptly as practicable after it obtains knowledge thereof and determines to request such compensation.

(e) Capital Costs.

(i) If the Bank shall have determined that the adoption after the date hereof of any law, rule, regulation or guideline (whether or not having the force of law) regarding capital adequacy (including but not limited to any United States or foreign law, rule, regulation or guideline), or any change after the date hereof in any applicable law, rule, regulation or guideline, as the case may be, or in the enforcement or interpretation or administration thereof by any court or any, administrative or Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Bank (or any lending office thereof) with any request or directive after the date hereof regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has the effect of reducing the rate of return on capital of the Bank or of its bank holding company, if any, as a consequence of its obligations hereunder, its Commitment or the making of Advances to a level below that which the Bank could have achieved but for such adoption, change or compliance (taking into consideration the policies of the Bank with respect to liquidity and capital adequacy) by an amount deemed by the Bank to be material, then within 60 days after demand by the Bank the State shall, subject to Section 2.2(o), pay to the Bank from time to time as specified by the Bank for such reduction; *provided* that the Bank shall use commercially reasonable efforts to treat the State in the same manner it treats other governmental customers that it deems, in its commercially reasonable discretion, to be similarly situated to the State. The foregoing shall not be construed to require the Bank to disclose to the State the identity of any other customer or details with respect to its lending relationship with any other customer. Such increased compensation shall be reduced or eliminated if the event causing such increase is modified or ceases to exist. The Bank will notify the State of any event which will entitle the Bank to compensation pursuant to this paragraph (e) as promptly as practicable after it obtains knowledge thereof and determines to request such compensation.

(f) Computation of Compensation. Each demand for compensation pursuant to Section 2.2 (d) or 2.2(e) shall be accompanied by a certificate of an officer of the Bank in reasonable detail setting forth the computation of such compensation (including the reason therefor), which certificate shall be conclusive, absent demonstrable error, *provided* that such determinations are made on a reasonable basis.

(g) Public Debt. The Notes and the Promissory Note are public debt of the State. The full faith, credit, and taxing power of the State are irrevocably pledged to the payment of principal, interest, and premium due, if any, on all public debt. There is irrevocably appropriated, as a first charge upon all revenue of the State, a sum sufficient for the payment of the installments of principal, interest and premium due, if any, on all public debt as the same falls due.

(h) Prepayment.

(i) The State may prepay any amounts from time to time owing to the Bank pursuant to Section 2.2(a) of this Agreement, together with accrued interest on the prepayment amount to the date when such prepayment amount is paid, in whole or in part, at any time upon telephone notice to the Bank not later than 1:00 p.m. (Central time) on the date of such prepayment, and such prepayment shall be made without payment of any prepayment fee, early redemption fee, breakage fee, funding indemnification payment, or similar fee, *provided* that each partial prepayment to the Bank shall be in a principal amount equal to \$100,000 or a multiple of \$50,000 above \$100,000. Each such prepayment notice shall (A) specify the prepayment date, the amount of such prepayment and the specific Advance to which such prepayment shall be applied and (B) be irrevocable. The amount specified in any such notice shall become due and payable on the prepayment date specified in such notice.

(ii) Upon payment to the Bank of the principal amount to be prepaid as stated in clause (i) above, together with accrued interest to the date of such prepayment, (A) the outstanding Obligations of the State under Section 2.2(a) of this Agreement shall be reduced by the principal amount of such payment, (B) interest shall cease to accrue on the amount so paid and (C) the amount available for Advances shall be restored by the principal amount so prepaid to the extent provided in Section 2.2(a).

(i) Payments and Computations. The State will make each payment under this Agreement and under the Promissory Note no later than 2:30 p.m. (Central time) on the date when due, in lawful money of the United States of America and in immediately available funds to the Bank at its Payment Office. All such payments shall be made by the State without defense, set-off, or counterclaim; however, payments by the State under this Agreement (except for the payment of the principal of, or interest on, Advances) are contingent upon appropriation of necessary funds. Whenever any payment to be made under this Agreement, the Letter Agreement, or the Promissory Note shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and interest will continue to accrue on the principal amount of such payment during the intervening period. All interest payable pursuant to this Agreement, the Letter Agreement, and the Promissory Note and all fees payable under this Agreement and the Letter Agreement shall be calculated on the basis of a year of 360 days for the actual number of days elapsed (including the first day but excluding the last day). Each determination by the Bank of interest, fees, or any amounts due under this Agreement and the Letter Agreement shall be conclusive and binding for all purposes in the absence of manifest error.

(j) Notice of Interest Rate. The Bank shall give prompt notice to the State of the applicable interest rate determined by the Bank for purposes of Section 2.2(b) of this Agreement, but delivery or receipt of, or failure of delivery or receipt of, any such notice shall not affect the State's payment obligations under this Agreement, the Letter Agreement, and the Promissory Note.

(k) Taxes. All payments made by the State to the Bank under this Agreement, the Letter Agreement, or the Promissory Note shall be made free and clear of and without deduction for any present or future income, stamp, or other taxes, levies, imposts, deductions, charges, fees, withholdings, restrictions, or conditions of any nature now or hereafter imposed, levied, collected, withheld, or assessed by any jurisdiction or by any political subdivision or taxing authority thereof or therein (whether pursuant to United States Federal, state, or local law or foreign law) and all interest, penalties, or similar liabilities, excluding taxes on the overall net income or profits of the Bank (such non-excluded taxes are hereinafter collectively referred to as the “**Taxes**”). If the State shall be required by law to deduct or to withhold any Taxes from or in respect of any amount payable under this Agreement, the Letter Agreement, or the Promissory Note, (i) the amount so payable shall be increased to the extent necessary so that, after making all required deductions and withholdings (including taxes and amounts payable to the Bank pursuant to this sentence), the Bank receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the State shall make such deductions or withholdings, and (iii) the State shall pay the full amount deducted or withheld to the relevant taxation authority in accordance with applicable law. Whenever any Taxes are payable by the State, as promptly as possible thereafter, the State shall send the Bank an official receipt or other documentation satisfactory to the Bank evidencing payment to such taxation authority. The State will, to the extent permitted by law, indemnify the Bank for the full amount of Taxes (including any Taxes on amounts payable to the Bank under this paragraph) paid by the Bank and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, upon written demand by the requesting Bank. Upon the request of the State, the Bank shall complete, execute, and deliver to the State any forms reasonably required to avoid withholding and shall return to the State any payments relating to amounts withheld that are ultimately returned to the Bank.

(l) Maximum Rate. Nothing contained in this Agreement shall be deemed to establish or require the payment of a rate of interest in excess of the maximum rate permitted by any applicable law. In the event that any rate of interest required to be paid under this Agreement, the Letter Agreement, or the Promissory Note would exceed the maximum rate permitted by this Section 2.2(l), such rate shall automatically be reduced to the maximum rate permitted by this Section 2.2(l); *provided, however*, that if at any time the rate of interest required to be paid under this Agreement shall exceed the maximum rate permitted by this Section 2.2(l), then any subsequent reduction in the rate of interest required to be paid under this Agreement, the Letter Agreement, or the Promissory Note will not reduce the rate of interest below the maximum rate permitted by this Section 2.2(l) until the total amount of interest accrued equals the amount of interest which would have accrued if the rate of interest required under this Agreement, the Letter Agreement, or the Promissory Note without giving effect to this Section 2.2(l) had at all times been in effect. In consideration for the limitation of the rate of interest otherwise payable hereunder, the State shall pay the Bank a fee equal to the amount of all unpaid deferred interest upon the earlier of (i) the date of repayment in full of the related Advance, and (ii) the date all Obligations are payable hereunder following termination or expiration of the Commitment.

(m) Promissory Note. The Advances made by the Bank shall be evidenced by the Promissory Note, substantially in the form set forth in Exhibit A hereto. The Promissory Note shall be payable to the order of the Bank and in an aggregate principal amount not less than

the greater of (i) the amount of the Commitment and (ii) the aggregate Outstanding principal amount of all Advances made by the Bank. The Bank is hereby authorized to record the date and amount of each Advance made, and the date and amount of each payment or prepayment of principal thereof, on the schedule annexed to and constituting a part of the Promissory Note, and any such recordation shall constitute prima facie evidence of the accuracy of the information so recorded. The Bank is authorized and directed to insert in the Promissory Note the date or dates of each supplemental resolution that constitutes an authorizing resolution, so as to comply with the requirements of the Act. The Promissory Note shall (A) be dated the later of the Closing Date or the date of issuance thereof, (B) be stated to mature on the Maturity Date, and (C) provide for the payment of interest in accordance with Section 2.2(b) of this Agreement.

(n) Fees, Commissions, Etc. The State agrees to pay fees in such amounts and at such times as are provided in the Letter Agreement. Any amounts due and payable under the Letter Agreement shall be considered due and payable for all purposes of this Agreement as if set forth in full in this Agreement. The terms of the Letter Agreement are incorporated herein by reference as if fully set forth herein. Any reference herein or in any other document to fees and/or other amounts or obligations payable hereunder shall include, without limitation, all fees and other amounts or obligations payable pursuant to the Letter Agreement.

(o) Limitation on Compensation. Failure or delay on the part of the Bank to demand compensation pursuant to Section 2.2(d) or Section 2.2(e) shall not constitute a waiver of the Bank's right to demand such compensation; *provided* that, the Borrower shall not be required to compensate the Bank pursuant to Section 2.2(d) for any increased costs or Section 2.2(e) for any increased amounts, incurred more than 90 days prior to the date that the Bank notifies the State of the circumstances giving rise to such increased costs or increased amounts and the Bank's intention to claim compensation therefor; *provided, further*, that, if the circumstances giving rise to such increased costs or increased amounts is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 3. CONDITIONS PRECEDENT.

3.1 Conditions Precedent to Closing Date. The Closing Date shall occur when each of the following conditions precedent have been fulfilled or waived to the satisfaction of the Bank. The execution and delivery of this Agreement by the Bank shall constitute conclusive evidence of its determination that the conditions precedent have been fulfilled or waived to its satisfaction.

The State shall acknowledge the Bank's invoice for all fees and other amounts due and payable to the Bank under or in connection with this Agreement and the Letter Agreement on or prior to the Closing Date, including, without limitation, reimbursement or payment of the fees and disbursements of outside counsel to the Bank and all other out-of-pocket expenses required to be reimbursed or paid by the State.

(e) No Litigation. As of the Closing Date, there shall be no action, suit, investigation, or proceeding pending in any court or before any arbitrator or Governmental Authority that purports to affect any transaction contemplated by this Agreement.

(f) Legality; Material Adverse Change. As of the Closing Date, the Bank shall be satisfied (in its reasonable discretion) that (i) neither the making of any Advance nor the consummation of any of the transactions contemplated by any of the Related Documents will violate any law, rule, guideline, or regulation (or interpretation thereof) applicable to the State, the Bank, this Agreement, the Letter Agreement, or the Promissory Note and (ii) no material adverse change in the financial condition, business, assets, liabilities, or prospects of the State shall have occurred subsequent to June 30, 2018 that has not been disclosed through a filing by the State with the Municipal Securities Rulemaking Board, through its Electronic Municipal Marketplace Access system.

3.2 Conditions Precedent to Each Advance. The obligation of the Bank to make any Advance is subject to the fulfillment of each of the following conditions precedent:

(a) The Bank shall have received (or waived the receipt of, in the sole discretion of the Bank) a written Advance Notice required under, and in strict conformity with, Section 2.1(b) of this Agreement;

(b) The Termination Date shall not have occurred; and

(c) No Event of Termination or suspension event set forth in Section 10(III), 10(IV) or 10(V) shall have occurred and be continuing under this Agreement.

Unless the State shall have previously advised the Bank in writing that the condition set forth in clause (c) above shall not have been satisfied, the State shall be deemed to have represented and warranted, on the date of each Advance, that the above condition has been satisfied.

3.3 Conditions to Amortization of Advances.

The obligation of the Bank to keep any Advance outstanding subject to the amortization described in Section 2.2 hereof is subject to the fulfillment of each of the following conditions precedent on the date of such Advance:

(a) each of the representations and warranties set forth herein and in the other Related Documents shall be true and correct in all material respects as of such date, and

(b) no Default or Event of Default shall have occurred and be continuing or would occur as a result of such Advance.

SECTION 4. OBLIGATIONS ABSOLUTE.

The Obligations of the State under this Agreement shall (except as provided in Section 2.2(i) of this Agreement) be absolute, unconditional, and irrevocable and shall be paid or performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances: (i) any lack of

enforceability of this Agreement, the Notes, or any other Related Documents; (ii) any amendment or waiver of or any consent to departure from all, or any of, the Related Documents; (iii) any statement or other document presented under this Agreement proving to be forged, fraudulent, invalid, or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever; (iv) the making of an Advance after the delivery of an Advance Notice that does not comply with the terms of this Agreement; (v) the existence of any claim, set-off, defense, or other rights that the State may have at any time against the Issuing and Paying Agent (or any persons or entities for whom the Issuing and Paying Agent may be acting), any holder of a Note, the Bank, or any other Person, whether in connection with this Agreement, the transactions contemplated herein, or in the Related Documents or any related transaction; or (vi) any other circumstance which might constitute a legal or equitable discharge of any Obligations under this Agreement (whether or not similar to any of the foregoing), it being agreed that the Obligations under this Agreement shall not be discharged except by the performance thereof strictly in accordance with the terms of this Agreement including, without limitation, the payment in full as herein provided of all amounts owing under this Agreement. Nothing herein contained shall affect the State's rights under Section 11.4.

SECTION 5. USE OF PROCEEDS.

The State shall use the proceeds of (i) the Notes solely in accordance with the purposes set forth in the Program Resolution and applicable supplemental resolutions and (ii) the Advances solely to pay the principal of the Notes when due.

SECTION 6. REPRESENTATIONS AND WARRANTIES.

The State represents and warrants to the Bank as follows:

(a) Powers. The State has the full legal right, power, and authority (i) to execute and deliver this Agreement, the Letter Agreement, and the Promissory Note, (ii) to perform all its obligations and liabilities under this Agreement, the Letter Agreement, and the Promissory Note, (iii) to receive Advances, and (iv) to levy taxes and otherwise raise revenue to pay the principal and interest on the Notes and all its Obligations under this Agreement (including, without limitation, the obligation to repay all Advances, to pay all interest thereon, and to pay all fees and other amounts payable under this Agreement).

(b) Compliance with Law and Contracts. The issuance of the Notes and the Promissory Note, and the execution and delivery by the State of this Agreement, the Letter Agreement, the Dealer Agreements, and the Issuing and Paying Agency Agreement, and performance by the State therein, in accordance with their respective terms and conditions have been duly authorized by all necessary action on the part of the State, and do not and will not (i) violate the authorizing legislation of the State, as amended, or any court order by which the State is bound, (ii) conflict with, violate, or contravene any provision of existing law or regulation or any order or decree of any court, tribunal, governmental authority, bureau, or agency with jurisdiction over the State, or (iii) conflict with, violate or cause a default, or with the passage of time or the giving of notice or both would cause a default, under any bond, note, or other evidence of indebtedness or mortgage, indenture, contract, or other agreement to which the State is a party or that is binding upon it or any of its properties; and no consent of any Person

(including, without limitation, any approval of the registered voters of the State), and no license, approval, or authorization of, or notice to or registration, filing, or declaration with, any governmental authority, bureau, or agency is required in connection with the execution, delivery, performance, validity, or enforceability of this Agreement, the Letter Agreement, the Promissory Note, the Dealer Agreements, or the Issuing and Paying Agency Agreement or for the State to receive Advances or otherwise incur indebtedness in accordance with this Agreement, or if required, the same has been obtained and is in full force and effect and true and complete copies thereof have been delivered to the Bank.

(c) Authorization and Validity. Each of this Agreement, the Letter Agreement, and the Promissory Note constitutes a legal, valid, and binding agreement or obligation, as the case may be, of the State, enforceable in accordance with their respective terms except as (i) the enforceability thereof may be limited by bankruptcy, insolvency, or similar laws affecting creditors' rights, (ii) rights of acceleration and the availability of equitable remedies which may be limited by equitable principles of general applicability, and (iii) the enforceability thereof may be limited by sovereign immunity.

(d) Litigation. Except as may have been disclosed to the Bank in writing, there are no actions, suits, or proceedings at law or in equity pending or, to the knowledge of the State, threatened in writing against or affecting it or its properties before any court or arbitrator or any governmental or nongovernmental body's agency or official in which an adverse decision could materially and adversely affect the financial position of the State or which in any manner questions the validity of this Agreement, the Letter Agreement, or the Promissory Note or the State's ability to carry out the transactions contemplated hereby and thereby.

(e) Accuracy and Completeness of Information. All data, certificates, reports, financial statements, documents, and other information furnished to the Bank by or on behalf of the State on or prior to the Closing Date in connection with the transactions contemplated hereby were, at the time same were so furnished, complete and correct in all material respects to the extent necessary to give the Bank true and accurate knowledge of the subject matter thereof and did not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading.

(f) Legislation. No legislation has been enacted which in any way materially adversely affects or which prohibits (i) the issuance or delivery of the Notes, (ii) the adoption of the Program Resolution, (iii) the execution and delivery of this Agreement, the Letter Agreement, or the Promissory Note, or (iv) the power of the State to carry out its obligations under this Agreement, the Letter Agreement, or the Promissory Note.

(g) Accuracy of Financial Reports. The audited financial statements of the State at June 30, 2018, fairly present the financial position and results of operations of the State, as of the dates and for the periods set forth therein. Since June 30, 2018, there has been no material adverse change in the financial condition or operations of the State, except as may have been disclosed by any filings made by the State with the Municipal Securities Rulemaking Board, through its Electronic Municipal Marketplace Access system.

(h) No Tax or Fee. None of the execution or delivery of this Agreement, the extension of the line of credit provided in this Agreement, or the making of any Advance will give rise to any tax or fee imposed by any local or state agency or governmental body within the State.

(i) Suits Against the State. Wisconsin Statutes §18.13 provides a procedure by which action to compel payment of any public debt may be brought, and Wisconsin Statutes Ch. 775 provides a procedure by which other claims may be asserted against the State.

(j) Public Debt. All obligations in respect of principal of, and interest on, the Notes and the Promissory Note are Bonded Debt. The full faith, credit, and taxing power of the State are irrevocably pledged to the payment of principal of, and interest on, Bonded Debt. The State is not in default in payment of any of its Bonded Debt.

(k) No Limitation on Interest Rate. The laws of the State impose no limitation on the rate of interest payable by the State under this Agreement, the Letter Agreement or the Promissory Note.

(l) Anti-Terrorism Laws. (i) The State is in compliance in all material respects with the requirements of the Anti-Terrorism Laws applicable to it; (ii) the State has provided to the Bank all information regarding the State as requested by the Bank for the Bank to comply with all applicable Anti-Terrorism Laws; (iii) to the best of the State's knowledge, the State is not, as of the date hereof, a specially designated or blocked entity on a list maintained by any Compliance Authority that prohibits or limits the Bank from making any advance or extension of credit to the State or from otherwise conducting business with the State; and (iv) the proceeds of any Advance will not be used to fund any operations in, finance any investment or activities in, or make any payments to, a Sanctioned Country or Sanctioned Person in violation of any law, regulation, order or direction enforced by any Compliance Authority (it being acknowledged that the State has no information concerning, or control over, the ultimate payees of amounts paid to the securities depository for the Notes).

(m) No Default. No Default or Event of Default has occurred and is continuing or would result from the transactions contemplated by this Agreement.

(n) Margin Regulations; Investment Company Act. (i) The State is not engaged in the business of extending credit for the purpose of purchasing or carrying any margin stock as defined in Regulation U of the Board of Governors of the Federal Reserve System, and the State will not use the proceeds of any of the Notes or Advances so as to violate Regulation T, U or X of the Board of Governors of the Federal Reserve System, as the same may be amended or interpreted from time to time.

(ii) The State does not intend to use any part of the proceeds of the Notes or Advances or other funds advanced hereunder, and has not incurred any indebtedness to be reduced, retired or purchased by the State out of such proceeds, for the purpose of purchasing or carrying any margin stock, and the State does not own and has no intention of acquiring any such margin stock from such sources.

(iii) The State is not an “investment company” or a company “controlled” by an “investment company,” as such terms are defined in the Investment Company Act of 1940, as amended.

(o) Tax Status. With respect to Notes that the State has issued on a tax-exempt basis, the State has not taken any action or omitted to take any action, and has no actual knowledge of any action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on such Notes from gross income for federal income tax purposes.

SECTION 7. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; SUCCESSORS AND ASSIGNS.

(a) All statements contained in any certificate or other instrument delivered by or on behalf of the State pursuant to, or in connection with, this Agreement (including, but not limited to, any such certificate or other instrument delivered in connection with any amendment hereto) shall constitute representations and warranties made under this Agreement. All representations and warranties made under this Agreement shall, except to the extent that such representations and warranties relate solely to an earlier date, be made and shall be true at and as of (i) the date of any authentication and delivery of Notes under the Program Resolution, (ii) unless the State has otherwise notified the Bank in writing, at the time of each Advance under this Agreement and (iii) the Termination Date.

(b) Whenever in this Agreement any of the parties hereto is referred to, such reference shall, subject to Section 7(c), be deemed to include the successor and assignees of such party, and all covenants, promises, and agreements by or on behalf of the State which are contained in this Agreement shall inure to the benefit of the successors and permitted assigns of the Bank. The State may not transfer its rights or obligations under this Agreement without the prior written consent of the Bank. The Bank may not transfer its rights or obligations under this Agreement without the prior written consent of the State. This Agreement is made solely for the benefit of the State and the Bank, and no other person or entity (including, without limitation, the Issuing and Paying Agent or holder of any Note) shall have any right, benefit, or interest under or because of the existence of this Agreement.

(c) Notwithstanding the foregoing, the Bank shall be permitted to grant to one or more financial institutions (each a “**Participant**”) a participation in all or any part of the Bank’s rights and benefits under this Agreement, the Letter Agreement, or the Promissory Note on a participating basis but not as a party to this Agreement (a “**Participation**”), without the consent of the State, *provided* that the Bank agrees to give the State notice of the granting of any Participation upon the effectiveness thereof, but in no event shall the Bank incur any liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the effectiveness of such Participation or the obligations of the State under this Agreement. In the event of any such granting by the Bank of a Participation to a Participant, whether or not upon notice to the State, the Bank shall remain responsible for the performance of its Obligations under this Agreement, and the State shall continue to deal solely and directly with the Bank in connection with the Bank’s rights and obligations under this Agreement. The State agrees that each Participant shall, to the extent of its Participation, be entitled to the benefits of

this Agreement as if such Participant were the Bank; *provided* that no Participant shall have the right to declare an Event of Default under Section 10 hereof, and no costs under Section 2.2(d) or (e) shall be paid to any participant that exceeds the amounts that would otherwise be payable to the Bank absent such Participation.

SECTION 8. AFFIRMATIVE COVENANTS.

The State covenants and agrees, from the date hereof and until the Termination Date and the payment in full of all Obligations, unless the Bank shall otherwise consent in writing:

(a) Compliance with Laws, Etc. The State shall comply with applicable laws, rules, regulations, and orders of any governmental authority (including, without limitation, compliance with environmental laws and state securities and blue sky laws in connection with the offering, sale and delivery of the Notes), except that this Section 8(a) shall not apply to noncompliance that, singly or in the aggregate, would not have a materially adverse effect on the ability of the State to perform its Obligations under this Agreement, including but not limited to the timely payment of the Notes and repayment of Advances.

(b) Accuracy of Information. All data, certificates, reports, financial statements, documents, and other information furnished to the Bank, by or on behalf of the State after the Closing Date in connection with the transactions contemplated hereby, shall, at the time the same are so furnished, (i) be complete and correct in all material respects to the extent necessary to give the Bank true and accurate knowledge of the subject matter thereof and (ii) not contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading, and the furnishing of same to the Bank shall constitute a representation and warranty by the State to that effect.

(c) Additional Documents. The State shall furnish to the Bank from time to time, at the State's expense, all further instruments and documents, duly executed and delivered by the State, and take all further action that may be reasonably necessary, or that the Bank may reasonably request, in order (i) to perfect and protect any right or interest assigned, or purported to be assigned, to the Bank under or in connection with this Agreement, the Letter Agreement, the Promissory Note, or the Program Resolution or (ii) to enable the Bank to exercise or enforce their rights or remedies under or in connection with this Agreement, the Letter Agreement, the Promissory Note, or the Program Resolution.

(d) Financial and Other Reports. The State shall furnish the following reports to the Bank:

(i) As soon as available, and in any event within 180 days after the end of each fiscal year, the State's continuing disclosure annual report; *provided, however,* if the annual report does not contain the State's audited general purpose financial statements, the State shall submit them to the Bank within ten business days after the statements are publicly available;

(ii) Within 30 days of the Bank's request for the same, the State's biennial budget, as enacted; and

(iii) From time to time such additional information regarding the State as the Bank may reasonably request in writing.

The State may make all the reports and financial information required to be delivered under this Section 8(d) available on the State's official disclosure website at doa.wi.gov/capitalfinance (or, upon prior written notice to the Bank, any other applicable online system used by the State that the Bank has access to). Upon the State providing the availability of the respective reports and financial information on such website (or other online system for which the Bank has received prior written notice and to which it has access) by no later than the deadline required by the respective subparagraph of this Section 8(d), then delivery of such report and/or financial information as required by the respective subparagraph of this Section 8(d) shall be deemed to be satisfied; *provided that*, if at any time the Bank notifies the State in writing that it is unable to receive or retrieve such report and/or financial information directly from such website or other online system, the State agrees to provide directly to the Bank copies of such reports and financial information.

(e) Defaults. The State will promptly notify the Bank of the occurrence of any Default or Event of Default of which an officer of the capital finance office of the State becomes aware, specifying the details thereof and the action that the State proposes to take with respect thereto.

(f) Books, Records. The State will permit, during normal business hours and from time to time, upon reasonable prior notice, the Bank or any of its agents or representatives to examine and make copies of and abstracts from the publicly available records and books of account of the State, and to discuss the affairs, finances, and accounts of the State with any representative or any other appropriate officer of the State.

(g) Other Obligations. The State will comply with and observe all other obligations and requirements set forth in the Program Resolution and each other Related Document to which it is a party (including, without limitation, all provisions therein for the benefit of the Bank) and in all statutes and regulations binding upon it relating to the Notes, this Agreement, the Letter Agreement, or the Promissory Note, and shall (subject to appropriation as provided in Section 2.2(i) of this Agreement) take any and all actions necessary to ensure the timely payment of all Obligations under this Agreement and the principal of and interest on the Notes.

(h) Litigation. The State shall promptly notify the Bank of the existence and, upon request, the status of any litigation which individually or in the aggregate could, in the event of an unfavorable outcome, have a material adverse effect on (i) the Notes, (ii) the Obligations, or (iii) the enforceability or validity of this Agreement, the Letter Agreement, or the Promissory Note.

(i) Repayment of Promissory Notes. The State intends to retire or redeem the Notes and the Promissory Note by (i) the issuance of Notes to pay Notes or to repay Advances (or the obtaining of Advances to pay Notes), (ii) amortization in accordance with the State's customary fiscal policy through the management of the amount of Notes Outstanding, and (iii) funding through the issuance of long-term Bonded Debt.

(j) Obligations under Related Documents. The State shall take all actions as may be reasonably requested by the Bank to enforce the obligations under the Related Documents of each of the other parties thereto.

(k) Dealer. The State shall, at all times prior to the Termination Date, have in place one or more Dealer Agreements with a qualified Dealer.

(l) Bank's Consent. The State shall obtain the prior written consent of the Bank to the replacement of the Issuing and Paying Agent, which consent shall not be unreasonably withheld, conditioned or delayed. The Bank shall use commercially reasonable efforts to respond to any such request for consent made by the State within ten days of receipt of information concerning the successor Issuing and Paying Agent in form and substance reasonably satisfactory to the Bank.

(m) Defeasance of Notes. The State shall not complete the payment or defeasance of Notes with the use of Federal Securities, except in compliance with Section 6.1(b) of the Program Resolution.

(n) Compliance with Documents. The State agrees that it will perform and comply in all material respects with each and every covenant and agreement required to be performed or observed by it in the Program Resolution and each of the other Related Documents to which it is a party.

(o) Promissory Note Rating. From and after the date of any Advance hereunder by the Bank that has not been repaid, upon written request of the Bank, the State shall, at its own expense, within 30 days of such request, take all steps necessary to request from at least one Rating Agency an investment rating for the Promissory Note(s) and shall use commercially reasonable efforts to obtain such rating as soon as commercially practicable thereafter.

(p) Underlying Rating. The State (i) shall at all times maintain a rating on the Notes and the Promissory Note(s) (if such a rating has been obtained pursuant to Section 8(o) of this Agreement) from at least one Rating Agency; and (ii) covenants and agrees that it shall not at any time withdraw any long-term unenhanced rating on Bonded Debt, the Notes or the Promissory Notes from any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Agreement.

(q) Anti-Money Laundering; International Trade Compliance. The State covenants and agrees that it shall immediately notify the Bank in writing upon the occurrence of a Reportable Compliance Event.

SECTION 9. NEGATIVE COVENANTS.

The State covenants and agrees, from the date hereof and until the Termination Date and the payment in full of all Obligations, unless the Bank shall otherwise consent in writing:

(a) Amendments to Related Documents. The State shall not enter into or consent to any Supplement to any Related Document or any waiver of the requirements thereof, that (i) does or could reasonably be determined to adversely affect the legality, validity, or enforceability of the Program Resolution or any other Related Document or any of the rights or remedies of the Bank thereunder, and (ii) does or could reasonably be determined have a material adverse effect on the rights, powers, privileges, or obligations of the Bank under any Related Document; *provided, however*, that nothing in this Section 9(a) shall be construed to require the State to obtain the Bank's consent to (A) authorize Additional Notes or (B) adopt Supplements to the Program Resolution, in accordance with Article VIII thereof, which (I) add such notes to the definition of "Notes" in the Program Resolution or (II) add to or expand the purposes for which proceeds of the Notes may be used.

(b) Exempt Status. With respect to Notes that the State has issued on a tax-exempt basis, the State shall not take any action or omit to take any action within its power that, if taken or omitted, would adversely affect the excludability of interest on such Notes from the gross income of the holders thereof for purposes of Federal income taxation.

SECTION 10. EVENTS OF DEFAULT.

If one or more of the following events (each an "**Event of Default**") shall have occurred and be continuing:

(a) The State shall fail to pay to the Bank, within three Business Days after written demand by the Bank, any amount, other than the amounts referenced in paragraph (i) below, due and payable under this Agreement or the Promissory Note; or

(b) Any representation, warranty, certification, or statement made by the State in this Agreement, the Letter Agreement, the Program Resolution or the Promissory Note or in any certificate or other document delivered pursuant to this Agreement, the Letter Agreement, the Program Resolution or the Promissory Note shall (in any such case) have been incorrect or untrue in any materially adverse respect when made or deemed to have been made; or

(c) The State shall default in the due performance or observance of any term, covenant or agreement contained in Section 8(e), (l), (m) or (p)(ii) or Section 9 hereof; or

(d) The State shall default in the due performance or observance of any term, covenant or agreement contained in this Agreement (other than those covered by clause (a), (b), (c), (i), (l), (m) or (n) of this Section 10), and such failure shall remain unremedied for a period of 30 days after the Bank shall have given the State written notice of such default; *provided* that so long as the State shall be proceeding with due diligence to remedy any default in the due performance or observance of such covenants which, if begun and prosecuted with due diligence, cannot be completed within a period of 30 days, then such thirty-day period shall be extended to the extent as shall be necessary to enable the State to begin and complete the remedying of such default through the exercise of due diligence, *provided further* that in no event shall such period be extended any more than 60 days without the consent of the Bank; or

(e) The State shall deny, or a court shall determine, that the Promissory Note is not a full faith and credit obligation of the State; or

(f) The State shall default in any material respect in the due performance or observance of any term, covenant, or agreement contained in any of the Related Documents (other than this Agreement and other than by reason of the failure of the Bank to honor an Advance Notice when the Advance Conditions have been satisfied), and the same shall not have been cured within any applicable cure period; or

(g) A final and non-appealable judgment or court order for the payment of money exceeding any applicable insurance coverage by more than \$50,000,000 shall be rendered against the State, and such judgment or court order shall continue unsatisfied and in effect for a period of 180 consecutive days after the final date for payment of such amount without being vacated, discharged, satisfied, or stayed; or

(h) The Wisconsin Legislature or any Governmental Authority of competent jurisdiction imposes a debt moratorium, debt restructuring, or comparable restriction on repayment when due and payable of the principal of, or interest on, any Bonded Debt in the form of bonds, notes, or similar obligations; or

(i) The State shall fail to pay any amount of principal of, or interest on, any Advance within three Business Days of the date the same shall become due and payable pursuant to this Agreement or the Promissory Note, or the State shall fail to pay interest on any Note when the same shall become due and payable (other than by reason of the failure of the Bank to honor an Advance Notice when the Advance Conditions have been satisfied); or

(j) (i) This Agreement or the Program Resolution (or, in each case, any material provision thereof relating to payment of principal, or interest on, the Notes or the security therefor) at any time after its execution and delivery, or the Promissory Note or any Note shall, for any reason, cease to be valid and binding on the State or in full force and effect or shall be declared to be null and void, in each case, pursuant to a final administrative determination or judicial decision from which there shall not exist any further right of appeal or against which a timely appeal shall not have been filed by the State; or (ii) the validity or enforceability of this Agreement, the Promissory Note, the Program Resolution, or any Note (or, in each case, any material provision thereof relating to payment of principal or interest on the Notes or the security therefor) shall be contested (A) by the State or (B) by any Governmental Authority having jurisdiction over the State, unless with respect to clause (B) above, the same is being contested by the State in good faith and by appropriate proceedings or (iii) the State shall deny that it has any or further liability or obligation under this Agreement, the Promissory Note, the Program Resolution, or any Note (or, in each case, any material provision thereof relating to payment of principal or interest on the Notes or the security therefor); or

(k) (i) the State shall fail to pay, within three Business Days of the date the same shall be due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) any Bonded Debt in the form of bonds, notes, or similar obligations, or (ii) a default shall occur under any Bonded Debt in the form of bonds, notes, or similar obligations and as a result of such default the maturity of such Bonded Debt is accelerated (in each case, other than by reason of the failure of the Bank to honor a properly presented and conforming Advance Notice); or

(l) Each Rating Agency then rating the Notes shall have downgraded any Bonded Debt of the State to below BBB- in the case of Fitch, below BBB- in the case of Krull, below Baa3 in the case of Moody's, and below BBB- in the case of S&P, or withdrawn or suspended its rating on any Bonded Debt of the State due to credit considerations (other than by reason of the failure of the Bank to honor an Advance Notice when the Advance Conditions have been satisfied); or

(m) (i) Any Rating Agency then rating the Notes shall have downgraded any Bonded Debt of the State to below BBB in the case of Fitch, below BBB in the case of Krull, below Baa2 in the case of Moody's, or below BBB in the case of S&P, or (ii) the long-term rating assigned to any Bonded Debt by Moody's, S&P or Fitch shall be withdrawn or suspended due to credit considerations (other than by reason of the failure of the Bank to honor an Advance Notice when the Advance Conditions have been satisfied); or

(n) the State shall (i) have entered involuntarily against it an order for relief under any law relating to bankruptcy, insolvency or reorganization or relief of debtors as amended, (ii) become insolvent or shall not pay, or admit in writing its inability to pay, its debts generally as they become due, (iii) make an assignment for the benefit of creditors, (iv) apply for, seek, consent to, or acquiesce in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its property, (v) institute any proceeding seeking to have entered against it an order for relief under any law relating to bankruptcy, insolvency or reorganization or relief of debtors to adjudicate it insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, marshalling of assets, adjustment or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors or fail to file an answer or other pleading denying the material allegations of any such proceeding filed against it, or (vi) take any action in furtherance of any matter described in parts (i) through (v) above, or (vii) any proceeding under any bankruptcy or insolvency law or any dissolution or liquidation proceeding shall be instituted by or against the State (or any action shall be authorized or taken to effect the institution by it of any of the foregoing), provided that such proceeding shall be a non-frivolous proceeding brought in an appropriate court by appropriate filings, and if instituted against it, shall be consented to or acquiesced in by it, or shall not be dismissed within a period of 60 days;

THEN,

(I) if such event is an Event of Default specified in paragraph (h), (i), (j) (excluding, however, (j)(ii)(B)), (k)(i), (l) or (n) above (each referred to herein as an "**Event of Termination**"), (A) automatically the Commitment shall immediately terminate, (B) the Advances, all interest thereon, and all other Obligations under this Agreement and under the Promissory Note shall immediately become due and payable, (C) the Bank may pursue any other rights or remedies under this Agreement, applicable law, or otherwise, and (D) the Bank shall immediately provide written notice of such Event of Termination to the State and the Issuing and Paying Agent but such notice shall not be a condition precedent to the termination of the Bank's obligations under this Agreement; and

(II) if such event is an Event of Default described in paragraphs (a) through (g) above, paragraph (k)(ii) or paragraph (m) above, the Bank may (A) by notice (which notice shall be effected in accordance with Section 11.6 hereof so as to achieve receipt of said notice by the State on the same day it is given by the Bank) to the State and the Issuing and Paying Agent, demand that the State and the Issuing and Paying Agent not issue, renew, roll over, or otherwise extend the maturity of any Outstanding Note from and after the date of such notice and declare the Commitment to be terminated automatically at 4:00 p.m. (Central time) on the latest maturity date of any Note Outstanding as of the date of such notice) at which time the Commitment shall automatically terminate, (B) by notice to the State, declare the Advances, all interest thereon and all other Obligations under this Agreement and under the Promissory Note to be due and payable forthwith, whereupon the same shall immediately become due and payable, and (C) pursue any other rights or remedies under this Agreement, applicable law or otherwise; and

(III) upon the occurrence of a Default under Section 10(j)(ii)(B) hereof, the obligations of the Bank to make Advances hereunder shall be suspended from the time of the occurrence of such Default until a final, non-appealable administrative determination or judicial decision, from which there shall not exist any further right of appeal or against which a timely appeal shall not have been filed, having declared that this Agreement, the Program Resolution, the Promissory Note or any Note, or all material contested provisions thereof relating to the payment of principal or interest on the Notes or the security therefor, as applicable, are upheld in their entirety. In the event such judgment is entered declaring that all such contested provisions are so upheld, the obligations of the Bank to make Advances hereunder shall be automatically reinstated and the terms of this Agreement will continue in full force and effect (unless this Agreement shall have otherwise expired or terminated in accordance with the terms hereof or there has occurred an Event of Termination) as if there had been no suspension. Notwithstanding the foregoing, if, upon the earlier of the Termination Date or the date which is one year after the effective date of such suspension of the obligations of the Bank pursuant to this Section 10(III), litigation is still pending and a judgment regarding the validity and enforceability of this Agreement, the Program Resolution, the Promissory Note or any Note, as applicable, as is the subject of such Default has not been obtained, or if the State is no longer contesting the matter in good faith by appropriate proceedings or a final judgment is entered declaring such provisions invalid, then the Commitment and the obligation of the Bank to make Advances hereunder shall at such time terminate without notice or demand; and

(IV) upon the occurrence of a Default under Section 10(i) or Section 10(k)(i) hereof, the obligations of the Bank to make Advances hereunder shall be suspended from the time of the occurrence of such Default until such time that the State has cured such Default by payment of all amounts due and payable to the Bank (for a Default under 10(i)), or to the applicable holders of the applicable Bonded Debt (for a Default under 10(k)(i)), as applicable, in full.

Notwithstanding the foregoing, upon the earlier of the Termination Date or the date which is three Business Days after the occurrence of such Default and on which the Default is still continuing, the Commitment and the obligation of the Bank to make Advances hereunder shall at such time terminate without notice or demand; and

(V) upon the occurrence of a Default described in paragraph (n)(vii), the obligation of the Bank to advance funds for the purchase of Notes hereunder shall be immediately and automatically suspended, without notice, and the Bank shall be under no further obligation hereunder to make Advances, until the bankruptcy, insolvency or similar proceeding referred to therein is terminated prior to the court entering an order granting the relief sought in such proceeding. In the event such proceeding is terminated, then the obligations of the Bank hereunder shall be automatically reinstated and the terms of this Agreement shall continue in full force and effect (unless the obligation of the Banks to make Advances hereunder shall otherwise have terminated as provided in this Section 10) as if there had been no such suspension. In the event that the Default described in paragraph (n)(vii) becomes an Event of Termination, the provisions of 10(I) above will apply; and

(VI) the remedies provided in Section 10(I), (II), (III), (IV) and (V) hereof shall only be exclusive with respect to such Events of Default to the extent they are able to be obtained by the Bank. If, for any reason whatsoever the Bank is not able to obtain all such remedies, then the Bank hereby reserves the right and shall have the right to pursue any other available remedies, whether provided by law, equity, or this Agreement;

provided, however, notwithstanding paragraph (I) above, the failure of the State to pay any amount of principal of and interest on any Advance or Note due solely as a result of the acceleration thereof pursuant to such paragraph shall not be considered an Event of Termination for purposes of this Section 10; and *provided further* that, notwithstanding any provision of this Section 10 to the contrary, no failure by the State to pay or meet an obligation that is by its terms subject to the annual or biennial appropriation of funds (which in no event shall include principal of or interest on any Advance or Note) by the Wisconsin Legislature for the purpose shall be deemed or give rise to a breach of covenant, Default, or Event of Default under this Agreement whether or not the instruments relating to such obligation do or do not deem such failure a breach, default, or event of default thereunder. Except as expressly provided above in this Section 10, presentment, demand, protest, and all other notices of any kind are hereby expressly waived.

SECTION 11. MISCELLANEOUS.

11.1 Amendments and Waivers. No amendment or waiver of any provision of this Agreement, the Letter Agreement, or the Promissory Note nor consent to any departure by the State therefrom shall in any event be effective unless the same shall be in writing and signed by the Bank and, with respect to any amendment, the State. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

11.2 Indemnification.

(a) The State hereby, to the extent permitted by law, indemnifies and holds harmless the Bank from and against, and will on demand reimburse the Bank for, any and all claims, damages, losses, liabilities (whether asserted by cross-claim, claim for contribution, in tort, in contract, or otherwise), costs, or expenses whatsoever (including reasonable attorneys' fees) that the Bank may incur (or that may be claimed against the Bank by any Person whatsoever, but not including the State):

(i) by reason of any untrue statement of any material fact contained in the Offering Memorandum, or the omission to state therein a material fact necessary to make such statements, in the light of the circumstances under which they are or were made, not misleading; *provided* that the State shall not be required to indemnify the Bank under this clause (i) for any claims, damages, losses, liabilities, costs, or expenses incurred by reason of any untrue statement included in the Offering Memorandum relating to the Bank that was furnished by the Bank expressly for inclusion therein ("**Bank Information**") or any omission to include in the Bank Information any material fact necessary to make the statements in the Bank Information, in light of the circumstances under which they are made, not misleading, if and to the extent it is finally determined by a court of competent jurisdiction that the Bank Information contained an untrue statement, or omitted to state therein a material fact necessary to make such statements, in light of the circumstances under which they are or were made, not misleading; and *provided further* that if any such action or proceeding shall be settled by the Bank without there being a final determination by a court of competent jurisdiction that the Bank Information contained an untrue statement of a material fact, or omitted to state therein a material fact necessary to make such statements, in light of the circumstances under which they are or were made, not misleading; then the State shall be required to indemnify the Bank pursuant to this Section 11.2 only if such action or proceeding is settled with the State's consent, which consent shall not be unreasonably withheld; or

(ii) by reason of the failure of any party to any Related Document to perform its obligations under the Related Document in connection with the making of, or the failure to make, an Advance; *provided* that the State shall not be required to indemnify the Bank for any claims, damages, losses, liabilities, costs, or expenses to the extent, but only to the extent, caused by (A) the willful misconduct or gross negligence of the Bank or (B) the wrongful failure of the Bank to make an Advance required to be made by the Bank under this Agreement after strict compliance with the conditions precedent to such Advance.

In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice of information to the contrary unless the Issuing and Paying Agent and the State have notified the Bank in writing in advance that specifically identified documents to be presented to the Bank do not comply with this Agreement. Nothing in this Section 11.2 shall limit the State's obligations contained in Section 2 hereof.

(b) In the event that the Bank becomes entitled to assert a claim against the State under paragraph (a) of this Section 11.2, it shall promptly notify the State of such claim in writing, specifying in reasonable detail the circumstances giving rise to such claim, but the omission to do so promptly shall not relieve the State from any liability which it may have under paragraph (a) above, except to the extent the State is materially prejudiced thereby. Counsel for the Bank shall be selected by the Bank, with the consent of the State (which consent shall not be unreasonably withheld); however, the State may, at its election, if no conflict between the defenses of the State and the Bank exists, assume control of the defense of any matter giving rise to the Bank's claim under paragraph (a) above; provided that the State shall assume the defense of such action within a reasonable time after notice of the commencement thereof. Neither the State nor the Bank shall be liable for any settlement of any such action affected without its consent.

11.3 Continuing Obligations. The obligations of the State under this Agreement shall continue until the later of the Termination Date and the date upon which all amounts owing to the Bank this Agreement, the Letter Agreement, and the Promissory Note shall have been paid in full, provided that the obligations of the State pursuant to Sections 11.2 and 11.4 hereof shall survive the termination of this Agreement. This Agreement shall be binding upon the State and its assigns and shall inure to the benefit of, and be enforceable by, the Bank and its successors, transferees, and assigns, *provided* that no party may assign all or any part of this Agreement without the prior written consent of the other parties.

11.4 Limitation on Liability. As between the State and the Bank, the State assumes all risks of any act or omission of the Issuing and Paying Agent. Neither the Bank nor any of its officers or directors shall be liable or responsible to any Person for: (a) the use that may be made of the proceeds of any Advance or of any Note, or for any acts, omissions, errors, interpretations, delays in transmission, dispatch, or delivery of any message or advice, however transmitted, of the Issuing and Paying Agent in connection with this Agreement, the Program Resolution, or any of the Related Documents; (b) the validity, sufficiency, or genuineness of documents, or of any endorsement(s) thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent, or forged; (c) payment by the Bank against presentation of documents that do not comply with the terms of this Agreement, including failure of any documents to bear any reference or adequate reference to this Agreement; or (d) any other circumstances whatsoever in making or failing to make payment under this Agreement, the Letter Agreement, or the Promissory Note, except only that the State shall have a claim against the Bank, and the Bank shall be liable to the State, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the State that the State proves were caused by (i) the Bank's gross negligence or willful misconduct in determining whether documents presented under this Agreement strictly comply with the terms hereof or (ii) the Bank's wrongful failure to make an Advance required to be made by the Bank under this Agreement after strict compliance with all conditions precedent to such Advance. In furtherance and not in limitation of the foregoing, the Bank may accept documents on behalf of the Bank that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the Issuing and Paying Agent and the State have notified the Bank in writing in advance that specifically identified documents presented to the Bank do not comply with the Advance Notice.

11.5 Annual Reports of the Bank.

The Bank makes available, and will continue to make available, (i) at its website, or such website address or the Bank may identify by written notice to the State, the Bank's most recent annual report prepared for its shareholders and (ii) from time to time upon request by the State, the disclosure information relating to the Bank used by the Bank at the time in connection with financings similar to the Notes, for inclusion in offering documents which the State may publish. The Bank authorizes the State to include, directly, or by reference, such information, as well as call reports filed with the FDIC, in any offering document the State prepares concerning the Notes and this Agreement.

11.6 Notices. All notices, requests, and other communications to any party under this Agreement shall be in writing or by telephone or e-mail (promptly confirmed in writing) and shall be given to such party, addressed to it, at its mailing or e-mail address, or telephone number set forth below or such other mailing or e-mail address, or telephone number as such party may hereafter specify for the purpose by notice to each other party. Each such notice, request, or communication shall be effective (i) if given by mail, ten days after such communication is deposited in the mails with first-class postage prepaid, addressed as aforesaid; (ii) if given by telephone, when given by telephone to the party at its number (if any) specified below; or (iii) if given by any other means, when delivered at the address specified below:

11.7 No Waiver; Remedies. No failure on the part of the Bank to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right under this Agreement preclude any other further exercise thereof or the exercise of any other right. The remedies provided in this Agreement are (except as expressly provided herein) cumulative and not exclusive of any remedies provided by law.

11.8 Severability. Any provision of this Agreement that is prohibited, unenforceable, or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability, or non-authorization without invalidating the

remaining provisions hereof or affecting the validity, enforceability, or legality of such provision in any other jurisdiction.

11.9 Governing Law; Waiver of Jury Trial.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER, AND FOR ALL PURPOSES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK; PROVIDED THAT THE DUTIES AND OBLIGATIONS OF THE STATE UNDER THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE, WITHOUT GIVING EFFECT TO CONFLICT OF LAW PRINCIPLES.

(b) TO THE FULLEST EXTENT PERMITTED BY LAW, THE STATE AND THE BANK WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THIS AGREEMENT, ANY OTHER DOCUMENT DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY EITHER OF THE PARTIES AGAINST THE OTHER PARTY OR ANY BANK-RELATED PERSON, PARTICIPANT OR ASSIGNEE, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE. THE STATE AND THE BANK AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY ARE WAIVED BY OPERATION OF THIS SECTION 11.9(b) AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT OR ANY OTHER DOCUMENT DELIVERED IN CONNECTION HEREWITH OR ANY PROVISION HEREOF OR THEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS, OR MODIFICATIONS TO THIS AGREEMENT AND ANY OTHER DOCUMENTS DELIVERED IN CONNECTION THEREWITH. TO THE FULL EXTENT PERMITTED BY LAW, EACH OF THE STATE AND THE BANK HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE RELATED DOCUMENTS.

11.10 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto in separate counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof duly executed by the other party hereto.

11.11 Prior Agreements Suspended. This Agreement supersedes all prior undertakings and agreements, both written and oral, between the State and the Bank relating to the line of credit provided under this Agreement, including those contained in any commitment letter or term sheet between the State or the Bank, excluding, however, the Letter Agreement.

11.12 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

11.13 Patriot Act; Bank Security Act.

The Bank hereby notifies the State that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**Patriot Act**”), it is required to obtain, verify, and record information that identifies the State, which information includes the name and address of the State and other information that will allow the Bank to identify the State in accordance with the Patriot Act. The State shall, promptly following a request by the Bank, provide all documentation and other information that the Bank reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Patriot Act. The State shall ensure that the proceeds of any extension of credit by the Bank under this Agreement shall not be used to violate any of the foreign asset control regulations of or any enabling statute or in any Executive Order of the President of the United States of America relating thereto. Further, the State shall comply with all applicable Bank Secrecy Act laws and regulations, as amended.

11.14 Nondiscrimination.

In connection with the performance of this Agreement, the Bank agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in section. 51.01(5) of the Wisconsin Statutes, sexual orientation, or national origin. This provision shall apply, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation and selection for training, including apprenticeship. Except with respect to sexual orientation, the Bank further agrees to take affirmative action to ensure equal employment opportunities. The Bank agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the State, setting forth the provisions of this non-discrimination clause.

11.15 No Advisory or Fiduciary Relationship.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Related Document), the State acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) the services regarding this Agreement provided by the Bank and any Affiliate thereof are arm's-length commercial transactions between the State, on the one hand, and the Bank and its Affiliates, on the other hand, (ii) the State has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the State is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Related Documents; (b) (i) the Bank and its Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary pursuant to Section 15B of the Securities Exchange Act of 1934, for the State, or any other Person and (ii)

neither the Bank nor any of its Affiliates has any obligation to the State with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Related Documents; and (c) the Bank and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the State, and neither the Bank nor any of its Affiliates has any obligation to disclose any of such interests to the State. To the fullest extent permitted by law, the State, hereby waives and releases any claims that it may have against the Bank or any of its Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

11.16 EMMA Postings.
