**Certificate of Protection in Lieu of an Insurance Policy**

To Whom It May Concern:

This is to certify that the authorized operator of this state-owned vehicle is protected by the State of Wisconsin Self-Funded Liability and Property Programs. Section 20.505 (2) (k), Wisconsin Statutes, provides funds to pay liability and property claims. In addition, section 895.46 provides that the state will pay judgments taken against state officers or employees for acts carried out while the officers or employees were acting within the scope of their employment.

Please accept this as evidence of protection for applicable liability claims brought against the state, its officers or employees and damage to property for which the state may be responsible. If you need any further assistance, please feel free to contact this office.

This certificate applies only to state officers, agents, and employees; it does not apply to independent contractors; and issuance of the certificate does not waive any duty of a contractor to acquire liability insurance.

Sincerely,

Bradley Templin  
State Property and Liability Program Manager  
Department of Administration
