

STATE OF WISCONSIN DEPARTMENT OF ADMINISTRATION

Tony Evers, Governor
Joel Brennan, Secretary
Naomi De Mers, Division Administrator

Madison – Each fall, the State of Wisconsin searches for a Christmas tree to be displayed in the Capitol rotunda in December. Tree donations are based upon requirements listed below:

- Balsam Fir approximately 35 – 45 feet tall.
- Full branches throughout the tree, if possible. Otherwise, a second donated tree may be needed to utilize the branches for filler.
- Tree should be accessible to the necessary logging and loading equipment for removing the tree from the property. In addition, there are often media outlets or groups that like to watch the tree being harvested.
- All the cutting, loading, and hauling expenses are to be donated.

Wisconsin Department of Administration staff will meet with potential donors to inspect the tree prior to accepting the donation. The first tree that meets the requirements will be selected. The tree is harvested in November and is brought to the State Capitol in late November.

For more information about how to participate, please contact:
