I. PROJECT OVERVIEW

A. Project Scope

The State of Wisconsin (State), Department of Administration (DOA) is seeking to purchase vacant land or redevelopment land comprised of one or more adjacent, adjoining, or neighboring parcels and located within Milwaukee or eastern Waukesha counties (see Appendix 1) from one or more property owners (Proposer) to be used for the construction of a multi-story, approximately 100,000 gross square foot office and laboratory facility for the proposed new Southeast Wisconsin Law Enforcement Facility having a building footprint of approximately 120' x 375' and requiring a minimum 150' setback for a barrier plan around the facility and 400' setback for the nearest visitor parking area. The parcel(s) should be large enough to also accommodate an above and/or an underground parking structure(s) or surface lot(s) having approximately 105 secured spaces for staff and State fleet vehicles which could be included within the 150' setback described in the previous sentence and approximately 135 spaces for visitors.

A Proposer should be aware of the DOA's RFP No. 505-004 [\[click here\]](#) for the purchase of vacant land or land for redevelopment for the proposed new Milwaukee State Office Building. If the proposed property could accommodate the two projects, the State may consider, but is not obligated to consider, a potential colocation of the two projects. However, a Proposer would have to submit separate proposals in accordance with the respective RFPs.

The DOA reserves the right to independently identify suitable properties that meet the criteria set forth in this RFP and directly solicit proposals from the property owner(s) or their agent(s).

Please reference the RFP number in the subject line.

Written responses to properly submitted relevant requests for clarification and questions from Proposers will be posted by the DOA on the following website: <https://doa.wi.gov/Pages/DoingBusiness/Current-Real-Estate-RFPs-and-RFIs.aspx> by 5:00 pm CT on Friday, March 23, 2018. **Solicitation of information from the State, DOA, or tenant agency personnel other than through the designated form and process described herein is prohibited and may result in disqualification of the Proposer.**

C. Selection and Award Process

All Proposals submitted in response to this RFP will be evaluated by a selection committee and will involve a three-part selection process. The final selection of the Proposer(s) will be made by the Secretary of the Department of Administration.

1. Part One | Initial Evaluation of Submitted Proposals

Proposals received by the Due Date will be evaluated by a selection committee using the parameters and the criteria listed in Section III of this RFP. Proposers submitting Proposals that meet the RFP requirements (Qualified Proposers), the number of which is at DOA discretion, will be notified and may receive additional questions to clarify the content of their Proposal or provide additional or relevant documentation. Proposers submitting Proposals that do not meet the RFP requirements will be notified and will be eliminated from further evaluation and consideration.

2. Part Two | Proposal Clarification and Site Visit

Additional information submitted pursuant to the State's request will be incorporated into the original Proposal (Revised Proposal). The selection committee will review the Revised Proposals using the parameters and the criteria listed in Section III of this RFP. The selection committee may also request presentations, hold an in-person meeting, conduct a site visit, confirm the asking price for each of the proposed parcel(s), and/or request additional information to continue to Part Three of the Selection Process.

3. Part Three | Final Evaluation of Revised Proposal and Asking Price

The selection committee will complete its evaluation of the Revised Proposal and recommend the Revised Proposal(s) that best meet the needs of the State to the Secretary of the Department of Administration for review and selection. The Secretary may choose from the recommended Revised Proposal(s) or determine no selection and send the RFP back to the selection committee for additional information and/or further review.

While the asking price will be heavily weighted, the final selection may not necessarily be the lowest asking price for the proposed property. Selection will also be based upon criteria which best meets the needs of the State.

4. Letter of Intent

After Revised Proposal(s) has been selected by the DOA's Secretary (Selected Proposal(s)), the State will send Letter(s) of Intent to the Proposer(s) of the Selected Proposal(s). Further clarification and negotiation may be required. Should the State be unable to successfully negotiate an offer to purchase with the selected Proposer(s), it reserves the right to cancel the selection and negotiate with another Proposer(s). **The State reserves the right to modify, amend and/or cancel this RFP at any time and reject any and all Proposals at its sole discretion per Section IV. B. of this RFP.**

A signed offer to purchase will be contingent upon approval of the State Building Commission per Section IV. C. of this RFP.
