2017 Hazardous Materials Awareness & Waste Disposal Training

DOA *Local Government Report* is published biannually by the Wisconsin Department of Administration, Division of Intergovernmental Relations
101 East Wilson St 9th Floor.
Madison, WI 53703.

Please direct general questions or comments to Dawn Vick,
DOA Division of Intergovernmental Relations,
(608) 266-7043 or
dawn.vick@wisconsin.gov.

January 31, 2017 marks the beginning of a celebration of the Wisconsin State Capitol. In the Capitol Rotunda the Wisconsin Historical Society exhibit entitled *A Century of Stories—Celebrating 100 Years at the Capitol* will be on display. The exhibit features a range of topics from politics to the arts, and panels profiling not just governors and lawmakers but also custodians, clerks, and security guards who all played an influential role in our capitol's history. The exhibit will be displayed throughout the year on the ground floor rotunda.

The 100th Anniversary State Capitol Commemorative Commission is organizing events throughout the year, including a centennial flower garden, a special edition of Concerts on the Square, and a privately funded gala. A Wisconsin Historical Society book and Wisconsin Public Television documentary are also in the works.

To learn more about the Capitol or schedule a tour, visit the commission's new website at Capitol100th.Wisconsin.gov. Future events will be posted on the website as well as a 360 degree virtual tour of the building.

Training Dates for Community Development Block Grants

The Wisconsin Department of Administration, Division of Energy, Housing & Community Resources—Bureau of Community Development is pleased to announce two application training sessions regarding the 2017 Community Development Block Grant (CDBG) funding for Public Facilities and for Planning. In anticipation of a highly competitive process for accessing CDBG funding, the purpose of the training is to offer potential applicants guidance and instructions in writing successful grant applications.

The two application training sessions will be:

- | | |

2017 Wisconsin Hazardous Materials Awareness & Waste Disposal Training

Awareness Level Training

Employees working at state-owned or operated facilities or employees of municipalities, tribal governments, public K-12 schools, technical colleges and universities, need to be thoroughly familiar with proper waste handling and emergency procedures relevant to their facilities operations.

The Bureau of State Risk Management sponsors this **free** training to familiarize, refresh, and engage the audience. They employ photos, videos, and activities to explain requirements and best management practices for waste handling, storage, disposal, and recycling. Some example products include: fluorescent lamps, batteries, laboratory chemicals, oils, antifreeze, paints, thinners, cleaners, corrosives, and poisons.

Who Should Attend?

- Employees who work with hazardous chemicals
- Facility operations, maintenance, buildings and grounds management
- Employees involved with vehicle and equipment maintenance
- Laboratory workers who generate waste solvents or other chemical wastes
- Stock/supply-area workers who order, receive, or store chemical products
- Supervisors who oversee personnel with the duties listed above

Agenda

8:45	Registration
9:00	Introduction
	Physical Properties of Chemicals, Chemical Hazards, Compatibility, SDS Exercise
10:20	Break – Followed by Solid and Universal Waste, Hazardous Waste
Noon	Lunch on your own
1:00	Spill Awareness, Compatibility Exercise, Regulatory Update
2:00	Break – Followed by Calling for Service, Top Violations, Questions and Answers
3:20	Adjourn
