Subject: Town of Waterford Incorporation

Dear Ms. Powers,

We are sending this email to you to voice our strong opposition to the attempt by the Town of Waterford Board to incorporate us into the Village of Tichigan. This incorporation provides no benefit to either the residents of the Town of Waterford or to the Village of Tichigan.

We have lived in the Town of Waterford for 28 plus years and have never once used or participated in whatever Tichigan has had to offer.

We like our town the way it is, please do not let that change.
