From;

Dan Dickinson
6929 Dickinson Lane
Waterford, WI 53185

I have been a resident of the Town of Waterford since 1949. Throughout my lifetime I have held offices in the Town of Waterford including Police & Fire Commission; President of Waterford Sanitary District; President and Treasurer of Tichigan Lake Fire Company; Firefighter and Rescue/Recovery diver; Lions member and numerous other positions and activities. Outside the Township I have held numerous offices, served on numerous boards of directors, have been and am active in numerous public service organization and charitable organizations. I am a retire Registered Professional Engineer, and I have strong technical and financial skills developed through my professional experience.

I wish to go on record in support of the Town of Waterford incorporating into the Village of Tichigan.

Thank you for considering my wishes in this matter.
Sincerely,
Dan
