Dear Mr. *Schmidtke*
My name is Jennifer Hensgen
31412 Red Oak Lane
Waterford, Wi
262-210-6941

I am opposed to the town of Waterford becoming the village of Tichigan.
The town board has not communicated their intentions to all of the township, and is primarily focused on residents living on river and lake. They have not addressed concerns about our needs for fire, rescue and police.
I believe that the town and village of Waterford should be one entity, the city of Waterford.
Respectfully,
Jennifer Hensgen
