

Bay-lake Region (Brown, Door, Kewaunee, Manitowoc, Marinette, Oconto, and Sheboygan Counties)

Project Name **ADA-Accessible Kayak Launches**
Applicant Village of Allouez
Grant Amount \$28,650
Category Public Access
Contact Chris Clark (920) 448-2800

This project will install two ADA accessible kayak/canoe launches and docks in the Village of Allouez in Brown County.

Project Name **All Hands on Deck: Creating an Inclusive Maritime Landscape**
Applicant Wisconsin Maritime Museum
Grant Amount \$30,000
Category Great Lakes Education
Contact Cathy Green (920) 684-0218

This project will develop the initiative, All Hands on Deck: Creating an Inclusive Maritime Landscape, focusing on increasing access to and engagement with our waterways for people with disabilities by reducing cognitive, social and physical engagement barriers.

Project Name **Bay of Green Bay Coastal Flooding Pre-Disaster Mitigation Planning**
Applicant Brown County
Grant Amount \$29,994
Category Land Use & Community Planning
Contact Devin Yoder (920) 448-6488

This project will work with five communities along the Bay of Green Bay in Brown County to develop a coastal flooding pre-disaster mitigation plan and incorporate new FEMA data.

Project Name **Comprehensive Plan Update**
Applicant City of Marinette
Grant Amount \$20,500
Category Land Use & Community Planning
Contact Steve Genisot (715) 732-5139

This project will update the City of Marinette's Comprehensive Plan. The update will include an increased emphasis on water levels, coastal hazards, resiliency and sustainability, and will build on the city's recent river cleanup.

Project Name **Comprehensive Plan Update**
Applicant City of Two Rivers
Grant Amount \$26,000
Category Land Use & Community Planning
Contact Greg Buckley (920) 793-5532

This project will update the Comprehensive Plan for the City of Two Rivers. The update will include a market-based feasibility study.

Project Name **Delivering Our Collective Messaging for a Healthy Lake Michigan**
Applicant Lakeshore Natural Resource Partnership
Grant Amount \$27,500
Category Great Lakes Education
Contact Tom Mlada (262) 573-8736

This project will complete the development and delivery of a collaboratively designed water quality and Great Lakes literacy messaging campaign to raise awareness about storm water and nonpoint pollution, and its impact on the local, coastal watersheds of Lake Michigan.

Project Name **Developing a Cat Island Restoration & Management Plan**
Applicant University of Wisconsin-Green Bay
Grant Amount \$17,396
Category Restoration:Habitat
Contact Amy Carrozzino-Lyon (920) 465-5029

This project will create an adaptable management plan to guide future Cat Island restoration activities.

Project Name **Kewaunee Lakefront Property Acquisition**
Applicant City of Kewaunee
Grant Amount \$60,000
Category Public Access
Contact Fred Schnook (920) 388-5000

This project will acquire part of the Salmon Harbor Marina.

Project Name **Manitowoc River Watershed Trail**
Applicant City of Manitowoc
Grant Amount \$18,000
Category Land Use & Community Planning
Contact Curtis Hall (920) 686-6519

This project is will develop an inventory, story map, and water trail plan for the Manitowoc River.

Project Name **Mueller Park Fishing and Boating Project**
Applicant Village of Wrightstown
Grant Amount \$41,182
Category Public Access
Contact Travis Coenen (920) 532-5567

This project will construct a fishing pier/platform, sidewalk, kayak launch, and expand parking.

Project Name **NE Coastal Resiliency Study**
Applicant Bay-Lake Regional Planning Commission
Grant Amount \$29,851
Category Land Use & Community Planning
Contact Madison Smith (920) 448-2820

The project will implement the first of a two-phase project to develop and address coastal resiliency for three communities in the Bay-Lake Region. The project will transfer methods and lessons from the Southeastern Wisconsin Coastal Resilience Project.

Project Name **Planning for Resiliency in the East River Watershed**
Applicant NEW Water
Grant Amount \$52,120
Category Land Use & Community Planning
Contact Angela Kowalzek-Adrians (920) 438-1072

This project will develop an East River Resiliency Flood Study, Community of Practice, and Community-Based Watershed Resilience Framework for the East River Watershed.

Project Name **Visit Sheboygan STEAM Education Center: Environmental Education Pilot Program**
Applicant Visit Sheboygan STEAM Inc
Grant Amount \$50,000
Category Great Lakes Education
Contact Amy Wilson (920) 395-8709

This project will develop and implement an environmental education pilot program at the new STEAM Education Center in Sheboygan.

Project Name **Bay-Lake Regional Planning Commission Technical Assistance**
Applicant Bay-Lake Regional Planning Commission
Grant Amount \$20,000
Category Technical Assistance/Outreach
Contact Madison Smith (920) 448-2820

Bay-Lake Regional Planning Commission will provide technical assistance to local governments in Brown, Door, Kewaunee, Manitowoc, Marinette, Oconto, and Sheboygan Counties. Funding will support planning assistance on coastal issues, planning, zoning, coastal hazards, and coastal resiliency.

Lake Superior Region (Ashland, Bayfield, Douglas, and Iron Counties)

Project Name **Comprehensive Plan Update 2020-2040**
Applicant City of Superior
Grant Amount \$19,837
Category Land Use & Community Planning
Contact Jason Serck (715) 395-7335

This project will update the City of Superior's Comprehensive Plan. The update will include coastal resources and hazard mitigation elements.

Project Name **Comprehensive, Outdoor Recreation and Coastal Resources Planning**
Applicant City of Washburn
Grant Amount \$26,880
Category Land Use & Community Planning
Contact Tony Janisch (715) 373-6160

This project will update the Comprehensive Plan and develop an Outdoor Recreation Plan for the City of Washburn.

Project Name **Creating a Building Inventory for Northern Ashland County to Facilitate Flood Risk Assessment and Mitigation**
Applicant University of Wisconsin-Madison
Grant Amount \$52,647
Category Land Use & Community Planning
Contact Howard Veregin (608) 262-6852

This project will create a building inventory for northern Ashland County to help develop better flood mitigation plans.

Project Name **Kreher Park Redevelopment: Public Access**
Applicant City of Ashland
Grant Amount \$29,268
Category Public Access
Contact Sara Hudson (715) 685-1644

This project will redevelop the former Ashland/Northern States Power Lakefront Superfund Site (aka Kreher Park) in and along the shores of the Chequamegon Bay in Lake Superior into a public multi-use recreational space for boaters, fisherman, tourists and community members.

Project Name **Phase 2: Investigating Sources of Cyanobacteria to the Chequamegon Bay Region of Lake Superior**
Applicant Northland College
Grant Amount \$59,667
Category Cumulative & Secondary Impacts:Nonpoint
Contact Matt Hudson (715) 682-1481

This project will implement Phase II of an experimental approach to identify sources of viable cyanobacteria propagules in the Chequamegon Bay region of Lake Superior and determine environmental conditions that could lead to cyanobacteria blooms.

Project Name **Restoring Habitat Along Washburn's Lakeshore**
Applicant City of Washburn
Grant Amount \$15,750
Category Restoration:Habitat
Contact Tony Janisch (717) 373-6160

This project will restore habitat in the City of Washburn through invasive species removal and control, native plantings, and trail infrastructure.

Project Name **Unified Development Ordinance and Zoning Updates for Coastal Resource Protection and Water Quality**
Applicant City of Ashland
Grant Amount \$15,000
Category Land Use & Community Planning
Contact Megan McBride (715) 682-7041

This project will result in an updated Unified Development Ordinance and implement zoning changes within the Waterfront and City Center zoning districts in Ashland.

Project Name **NWRPC Technical Assistance and Coastal Outreach**
Applicant Northwest Regional Planning Commission
Grant Amount \$20,000
Category Technical Assistance/Outreach
Contact Jason Laumann (715) 635-2197

Northwest Regional Planning Commission will provide technical assistance to local governments and the Wisconsin Coastal Management Program.

Southeast Region (Kenosha, Milwaukee, Ozaukee, and Racine Counties)

Project Name **Characterization and Education for Groundwater Flow and Coastal Wetland in Kenosha Dunes**
Applicant University of Wisconsin-Madison
Grant Amount \$29,793
Category Restoration:Habitat
Contact Chin Wu (608) 263-3078

This project will complete groundwater seepage monitoring, coastal wetland assessment and characterization, education and public outreach.

Project Name **Clay Bluffs Cedar Gorge Nature Preserve Acquisition**
Applicant Ozaukee County Planning and Parks Department
Grant Amount \$125,000
Category Public Access
Contact Andrew Struck (262) 284-8257

This project will acquire 61 acres of undeveloped land along the Lake Michigan shoreline in Ozaukee County.

Project Name **Designing Green Infrastructure at MPS Schools**
Applicant Milwaukee Public Schools
Grant Amount \$87,500
Category Cumulative & Secondary Impacts:Nonpoint
Contact Keith Posley (414) 475-8001

This project will develop detailed engineering documents, permitting and designs incorporating green infrastructure practices at five Milwaukee Public School sites.

Project Name **Educating Future Freshwater Water Champions**
Applicant Milwaukee Public Schools
Grant Amount \$25,000
Category Great Lakes Education
Contact Keith Posley (414) 475-8001

This project will provide to the students of five Milwaukee Public School sites education and outreach opportunities around water-focused programming to support the development of science, technology, engineering, arts, and math (STEAM) curricular connections to the Great Lakes.

Project Name **Heart of the Harbor Pedestrian Plaza**
Applicant City of Port Washington
Grant Amount \$40,000
Category Public Access
Contact Rob Vanden Noven (262) 268-4267

This project is a joint effort between the City and Port Washington Main Street, Inc. to create a gathering space/plaza that is central to both the historic downtown and the City's lakefront/marina.

Project Name **Improving Lake Michigan Public Access in the Ozaukee County Park System - Phase II**
Applicant Ozaukee County Planning and Parks Department
Grant Amount \$60,000
Category Public Access
Contact Andrew Struck (242) 238-8275

This project by Ozaukee County is for the continued construction of a passive public access to Lake Michigan along the 130-foot-high clay seepage bluff at Virmond County Park.

Project Name **Milwaukee County Historical Society 2021 Exhibit: Milwaukee's Water History**
Applicant Milwaukee County Historical Society
Grant Amount \$48,500
Category Great Lakes Education
Contact Mame McCully (414) 273-8288

This project will develop and install a Milwaukee Water History exhibit at the Milwaukee County Historical Society. The exhibit will cover topics related to Milwaukee's water history including early development, the local economy, recreation, and preservation efforts.

Project Name **Pike River Mouth - Stream Bank and Riparian Buffer Restoration**
Applicant Root-Pike Watershed Initiative Network (WIN)
Grant Amount \$31,861
Category Restoration:Habitat
Contact Dave Giordano (262) 898-2055

This project will develop construction documents to address the eroding Pike River streambank, remove invasive species, mitigate run-off, and will include improved fishing and paddling areas.

Project Name **Port of Milwaukee - Capital Asset Renewal Plan**
Applicant Port Milwaukee
Grant Amount \$40,000
Category Land Use & Community Planning
Contact Larry Sullivan (414) 286-8139

This project will develop a Capital Asset Renewal Plan for Port Milwaukee.

Project Name **Prairie Shores Beach Coastal Resource Management and Restoration Plan**
Applicant Village of Pleasant Prairie
Grant Amount \$22,000
Category Restoration:Habitat
Contact John Steinbrink Jr. (262) 694-1403

This project will design a shoreline restoration plan, habitat restoration plan, and shoreline protection plan for Pleasant Prairie.

Project Name **Restoring Water Quality in a Coastal Urban Lagoon Environment**
Applicant Milwaukee County Parks
Grant Amount \$78,022
Category Cumulative & Secondary Impacts:Nonpoint
Contact Ramsey Radakovich (414) 257-4887

This project will build on previous data collection efforts to develop a three to five-year project plan, with recommended next steps, to improve water quality at Veterans Park Lagoon.

Project Name **Turtle Creek Riparian Improvements**
Applicant Root-Pike Watershed Initiative Network (WIN)
Grant Amount \$20,737
Category Restoration:Habitat
Contact Dave Giordano (262) 898-2055

This project will develop construction documents for Turtle Creek streambank stabilization, habitat restoration, and invasive species removal.

Project Name **Update to the Regional Natural Areas and Critical Species Habitat Plan**
Applicant Southeastern Wisconsin Regional Planning Commission
Grant Amount \$40,000
Category Restoration:Habitat
Contact Thomas S. Slawski (262) 547-6721

This project will update the inventory of SW Wisconsin natural areas sites which is used by municipalities, government, and conservation organizations.

Project Name **Water Stories on Climate Change, Tourism, & Public Project Collaborations in Wisconsin's First Coastal City**
Applicant Reflo
Grant Amount \$25,000
Category Great Lakes Education
Contact Michael Timm (414) 378-0945

This project will create and share interactive maps and short videos exploring the themes of climate change, tourism, and public project collaborations related to water in Milwaukee.

Project Name **Regional Planning Commission Technical Assistance**
Applicant Southeastern Wisconsin Regional Planning Commission
Grant Amount \$20,000
Category Technical Assistance/Outreach
Contact Thomas Slawski (262) 547-6721

Southeastern Wisconsin Regional Planning Commission will provide support to local governments and the Wisconsin Coastal Management Program in coastal management activities through technical assistance, regional analysis, and public outreach.

Coastwide

Project Name **Wisconsin Harbor Town Travel Guide Project**
Applicant Wisconsin Harbor Towns Association
Grant Amount \$30,000
Category Great Lakes Education
Contact Jason Ring (920) 686-3070

This project will develop, update and print copies of a new Wisconsin Harbor Town Travel Guide to be used to help tourists connect to Wisconsin's coastal communities and resources, and will include content on recreational and cultural opportunities, and environmental stewardship of the Great Lakes coasts.

Project Name **Coastal Hazards Fellowship**
Applicant UW Sea Grant Institute/UW Board of Regents
Grant Amount \$39,000
Category Land Use & Community Planning
Contact Jennifer Hauxwell (608) 263-4756

This project will support a one-year fellowship focused on tackling science and policy challenges related to increasing coastal community resilience across the Great Lakes region.
