PETITION FOR  
INCORPORATION

Case No. \_\_\_\_\_  
Case Code 30703

---

TO: La Crosse County Circuit Court  
c/o Clerk of Court  
333 Vine Street, Room 1200  
La Crosse, WI 54601

**Mary Jo Werner** (hereinafter the "Petitioner") by MUNICIPAL LAW & LITIGATION GROUP, S.C., by Attorney H. Stanley Riffle respectfully petitions the Circuit Court to order a referendum and certify the incorporation of the unincorporated territory described in this petition as a village, a body corporate and politic with powers and privileges of a municipal corporation at common law and conferred by the statutes of the State of Wisconsin in accord with the provisions of Wis. Stats. §§ 66.0201 – 66.0211.

In support of this Petition for Incorporation, Petitioners allege:

1. On September 21, 2024, a Notice of Intention to Circulate this Petition for Incorporation was published in the La Crosse Tribune, as required by §66.0203(1), Wisconsin Statutes. A copy of said published notice, together with a copy of the Publisher's Affidavit of Publication, is attached hereto and marked as **Exhibit A**, respectively.

2. The designated representative and the alternate representative of the Petitioner, both of whom are electors and freeholders of lands within the proposed area to be incorporated are as follows:

Designated Representative: Mary Jo Werner, 3337 Hanson Ct., La Crosse, WI 54603

Alternate Representative: Ralph Thoren, 600 Plainview Rd., La Crosse, WI 54603

3. The territory proposed for incorporation consists of all lands described in the attached **Exhibit B** (herein the “Subject Territory”).

4. The territory proposed to be incorporated has approximately 12.88 square miles of area.

5. A scale map, reasonably showing the boundaries of the territory to be incorporated is attached as **Exhibit C**.

6. The current resident population of the territory to be incorporated, as determined under §66.0207 Wisconsin Statutes, is 4,266 persons, as derived from the 2020 Census Block Maps from the United States Census Bureau. The resident population has a density of at least 500 people in one square mile.

7.. Fifty or more persons who are electors and freeholders in the Subject Territory have signed and joined this Petition as required by §66.0203(2)(a), Wisconsin Statutes.

8. The Subject Territory is located within a metropolitan community; and such territory would constitute a “metropolitan village” as defined by §66.0203(2)(e), Wisconsin Statutes.

9. The Subject Territory meets the standards set forth in §66.0207(1), Wisconsin Statutes, as shown below:

a. The Subject Territory is reasonably homogeneous and compact, taking into consideration natural boundaries, natural drainage basins, soil conditions, present and potential transportation facilities, previous political boundaries, boundaries of school districts, shopping and social customs.

b. The portion of the Subject Territory beyond the most densely populated square mile of the Subject Territory has an average of more than 30 housing

units per quarter section or the potential for residential or other urban land use development on a substantial scale within the next three (3) years.

10. The proposed incorporation is in the public interest considering the following criteria specified in §66.0207(2), Wisconsin Statutes:

a. The present and potential sources of tax revenue available to the Subject Territory to defray the present and anticipated costs of governmental services thereon at a local tax rate compare favorably with tax rates in similar areas for similar services.

b. The level of governmental services desired or needed by the residents of the Subject Territory is in line with the level of governmental services to be offered by the proposed village; and the level of governmental services to be offered by the proposed village is more appropriate than the level of governmental services available from any contiguous municipality which may file a certified copy of a resolution indicating a willingness to annex the territory designated in this Petition pursuant to §66.0203(6), Wisconsin Statutes.

c. The incorporation meets standards relating to impact upon the remainder of the town from which the territory is to be incorporated. The entire Town will be incorporated and there will be no remainder.

d. The proposed incorporation will not substantially hinder the solution of governmental problems and will facilitate the solution of governmental problems by providing an adequate social and economic base to meet the health, safety and welfare needs of the residents in the Subject Territory.

WHEREFORE, the undersigned Petitioners respectfully request that the Court issue an Order requiring a referendum as provided for in §66.0211, Wisconsin Statutes, and to certify the incorporation of the proposed village when all requirements have been met. Each Petitioner whose name appears on this Petition certifies and represents that the Petitioner is an elector and freeholder in the territory proposed to be incorporated and joins in the request of Petitioner as set forth in this petition.

Dated this 5th day of December, 2024.
