Unlocking Value Through Procurement Data & Analytics

- By leveraging analytics, we transform data into meaningful stories that highlight trends, identify opportunities, strengthen accountability, and improve decision making.

Agenda:

- STAR Analytics Home Page
- Spend Analyzer & Spotlight on Ch.16 & 35

  State Statutes Chapters 16 & 35 dictate and define procurement of goods and services.
- Purchase Order Analyzer
- Access to STAR Analytics
- Learn Over Lunch Sign-up in LEADER
- We need your help - Volunteer Opportunity

Q&A:

- Type your questions into the chat
- We will do our best to answer during the session
- If unable to answer, we will follow-up

Demo Time

Access to STAR Analytics

Role Needed: **OBIA_WI_AGCY_SPEND_ANALYZER** in STAR Financials

1. Request the role. Follow your agency's security requester process.

   Note: Spend Analyzer and PO Analyzer currently use the same role

2. After role is assigned, you will receive a welcome email from STAR Analytics containing the homepage link.
3. Unsure if you have the role,.
   - Try the link STAR Analytics Home Page
   - Ask your Security Requester
   - Email STARSupport@wisconsin.gov

Virtual Learn Over Lunch

Sign-up in LEADER, search for:

STAR Analytics Learn-Over-Lunch: Procurement Spend & Purchase Order Analytics

We need your help!

- Feeback is important to us!
- Inquire about joining the “STAR Analytics PRO Solutions Strategy Team”.

  Mission Statement: “Collaboratively create analytic solutions that unlock insights, strengthen decision-making, and drive long-term success for agencies across the enterprise.”
- Request to complete a STAR Analytics Data Discovery Packet

  “A structured packet designed to capture agency data and analytics requirements ensuring solutions are aligned, actionable, and impactful.”

Please email - STARSupport@wisconsin.gov

Thank you from the
