This is a summary of the plan benefits. For more detailed benefit information, please refer to the Summary Plan Description (SPD). If a discrepancy is found between this renewal summary and your policy's SPD, the terms of the SPD will govern.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.umr.com or by calling 1-800-207-3172. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.umr.com or call 1-800-207-3172 to request a copy.

| Important Questions   | Answers   | Why this Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                                | \$3,000 person / \$6,000 family In-network<br>\$5,000 person / \$10,000 family Out-of-network                   | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount <u>before this plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .                       | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>   |
| Are there other<br>deductibles<br>for specific<br>services?               | No.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out–of–pocket</u><br><u>limit</u> for this <u>plan</u> ?   | \$5,000 person / \$10,000 family In-network<br>\$10,000 person / \$20,000 family Out-of-network                 | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.<br>If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out–of–pocket limit</u> ?                  | Penalties, <u>premiums</u> , <u>balance billing</u> charges,<br>and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See <u>www.umr.com</u> or call 1-800-207-3172 for a list of <u>network providers</u> .                     | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.   | You can see the specialist you choose without a referral.   |

All copayment costs shown in this chart are applied before the deductible; coinsurance costs are applied after your deductible has been met, as applicable.

## **About these Coverage Examples:**

**Total Example Cost** 

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
