share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.umr.com or by calling <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.umr.com</u> or call 1-800-826-9781 to request a copy. 1-800-826-9781. Important Questions	Answers	Why this Matters:
What is the overall deductible?	\$3,000 person / \$6,000 family In-network \$6,000 person / \$12,000 family Out-of-network	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care services are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$3,000 person / \$6,000 family In-network \$9,000 person / \$18,000 family Out-of-network annual deductible & coinsurance out-of-pocket maximum \$1,000 person / \$2,000 family In-network Unlimited person / Unlimited family Out-of-network annual medial copay out-of-pocket maximum	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.umr.com or call 1-800-826-9781 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (a <u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist?</u>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
