

Wisconsinites should not fear being evicted or being without a place to live because their budgets have been impacted by the COVID-19 pandemic. And, that's why **"We're All In."**

Governor Tony Evers and the Wisconsin Department of Administration (DOA) are partnering with members of the Wisconsin Community Action Program Association (CAP) to assist renters when they need it most.

W.R.A.P. WISCONSIN RENTAL ASSISTANCE PROGRAM

UP TO \$3,000

The Rental Assistance Program can award up to \$3,000 per household in a combination of rental payments and/or security deposits. The payment is paid directly to the landlord.

In general, eligible applicants must be an adult Wisconsin resident with a household income at or below 80% of the county median income in the month of or prior to the application date.

- Eligible costs include:
- Direct financial assistance for owed rent
 - Security deposits

CAP Agencies will begin taking applications for W.R.A.P. on or before June 8th, 2020.
