September 14, 2012 Mr. Mike Huebsch Secretary Wisconsin Department of Administration 101 E. Wilson Street Madison, WI 53702

Dear Secretary Huebsch:

On behalf of the Wisconsin Department of Tourism, it has been a great pleasure and honor to serve Governor Walker and the people of Wisconsin as Tourism Secretary. I'm proud of what our team has accomplished since January 2011, and with the continued support of the Administration, I'm excited about the potential for the future.

Attached please find our 2013-15 biennial budget request.

When Deputy Fantle and I began in January 2011 we worked quickly to realign our staff resources and embark on our main mission of executing memorable marketing programs to grow jobs and the tourism economy. Thanks to the support of the Governor, the Administration and the legislature, we also received additional marketing funds to support our mission.

We're pleased by our first-year results where the tourism economy grew by 8% from \$14.8 billion in expenditures in 2010 to \$16 billion in 2011. Our summer and fall 2011 marketing programs returned 6:1 to the taxpayers of Wisconsin. Other notable accomplishments the past 20 months include:

- The promotion of the brand of "fun" and using creative people with Wisconsin ties such as David and Jerry Zucker, Henry Winkler and Tony Shalhoub.
- Our 2011 public relations efforts, which generated \$63 million in earned media.
- The opening and revitalization of our Travel Wisconsin Welcome Centers through public-private partnerships.
- Our state-wide customer service training programs.
- The revitalization of our annual Governor's Conference on Tourism.
- · The establishment of the "Walk with Walker" program.
- Tourism's robust website and social media programs.
- The ROI from our grant programs and renewed emphasis on our meetings and convention markets.
- Executed a new and more verifiable research model.
- Collaborated with several other state agencies for mutual taxpayer benefit.

With the confidence and support of the Governor and the Administration, we will continue to work to increase jobs and grow the tourism economy for the state. Thank you for your guidance and support and I look forward to working with you on this budget request.

Sincerely.

Stephanie Klett Secretary

### **Agency Description**

The department is charged by statute to market the State of Wisconsin as a travel destination to both in-state residents and its out-of-state neighbors. Note: Based on calendar year

- 1. Actual 2012 data will not be available until May 2013
- 2. Tourism has changed its research firm from Davidson-Peterson to Longwoods International/Tourism Economics (Longwoods) since the 2011 goal was established in the 2011-2013 budget. There is nothing wrong with the Davidson-Peterson analysis but it is likely more appropriate for destinations such as Orlando or Las Vegas where tourism is the area's single largest economic driver. When the department began commissioning visitor spending studies 20 years ago, the Davidson-Peterson model was the only tourism research vendor that fit our needs at that time.
- 3. Longwoods produces ROI research, measuring the effectiveness of tourism advertising campaigns to generate incremental increases in traveler spending.
- 4. Longwoods employs a cutting edge Input-Output (I-O) IMPLAN model. An I-O IMPLAN model profiles an economy by measuring the relationships among industries and consumers. It calculates three levels of impact direct, indirect and induced.
- 5. Some of the data sources that Longwoods use include research on visitor spending, industry employment and wages from the Bureau of Economic Analysis and Bureau of Labor Statistics, lodging performance date from Smith Travel Research, tax receipts data from the Wisconsin Department of Revenue, U.S. Census data on seasonal second homes for recreational use.
- 6. Customer interaction totals for 2011 include new mediums for contact. These totals now include visits to the Mobile site, "smart phone" application visits, Facebook "Likes" and Twitter followers.

### Program 2.

No performance measures were established during this period.

### Program 3

No performance measures were established during this period. At the beginning of the last biennial budget process the Arts Board was in the midst of its strategic planning and had promised to deliver performance measures upon completion of that process. Subsequently the Arts Board's status was changed from that of a state agency to a program of the Department of Tourism. The Board put its planning process on hold as its diminished staff managed this difficult transition with the gracious assistance of the Department of Tourism. The Arts Board's plan has been completed and may be found here. It reflects our new reality and contains rich input from the creative industries and the citizens of the state.

#### Decision Item (DIN) Title - KRMB Law Enforcement LTE Increase

#### **NARRATIVE**

Previous budgets did not accurately reflect the need for this appropriation. Continued growth in number of visitors and extension of user groups to spring and fall seasons require additional hours with weekend and differential pay needed to patrol and protect the Kickapoo Valley Reserve and Reserve visitors. The increase in LTE funds request is calculated by the need to increase from four shifts per week that targets weekends to six, eight hour shifts which improves coverage during weekdays.

Decision Item (DIN) Title - KRMB Overtime

#### NARRATIVE

The Kickapoo Reserve Management Board (KRMB) has two positions eligible for overtime within appropriation 261. They function as the Office Manager and the Property Manager and are both classified as KICKAPOO R M BD PRGR ASST NTE 81-05. In FY12, they received \$2,900 in overtime pay. The KRMB attempts to limit overtime for these staff members by scheduling LTE's as much as possible on weekends, holidays and evenings. However, the level of responsibility and commitment to quality sometimes dictates that permanent staff need to scheduled. The need to schedule permanent staff is going to continue due to increased use of the KRMB Visitor Center and the KRMB grounds.

#### Decision Item (DIN) Title - KRMB Night and Weekend DIfferential

#### **NARRATIVE**

The Kickapoo Reserve Management Board (KRMB) has two positions eligible for Night and Weekend Differential within appropriation 261. They function as the Office Manager and the Property Manager and are both classified as KICKAPOO R M BD PRGR ASST NTE 81-05. In FY12, they received \$200 in night and weekend differential pay. The KRMB attempts to limit night and weekend differntial for these staff members by scheduling LTE's as much as possible on weekends, holidays and evenings. However, the level of responsibility and commitment to quality sometimes dictates that permanent staff need to scheduled. The need to schedule permanent staff is going to continue due to increased use of the KRMB Visitor Center and the KRMB grounds.
