**AGENCY PERFORMANCE AND OPERATIONS
DURING THE 2013-15 BIENNIUM**

Caseloads:

During the 2013-15 biennium, the Wisconsin Office of the State Public Defender (SPD) opened 274,434 cases. Of those, 161,406 were appointed to SPD staff, 102,862 were appointed to private bar attorneys on a rotational basis, and an additional 10,166 cases were appointed to private bar attorneys under the terms of fixed fee contracts.

Contracts with the Private Bar:

The SPD assigns cases to the private bar both under fixed fee contracts and by rotational appointments, as authorized by Wis. Stat. s.977.08. Fixed fee contracts are paid on a per case basis while rotational appointments are paid on a per hour basis. The SPD entered into 53 fixed-fee contracts for 9,350 misdemeanor cases in FY14 and FY15. Chapter 51 cases are contracted in Milwaukee County on a fixed fee basis. There were 5 fixed-fee contracts in FY14 and 4 contracts in FY15 awarded to private bar attorneys for representation in 785 Chapter 51 cases. The SPD assigned 49,408 cases in FY14 and 53,454 cases in FY15 to the private bar on a rotational basis.

Collections & Verifications:

State Public Defender collections from clients are received in the following categories: SPD initiated, DOA contract collections, county juvenile recoupment, court ordered payments, and Ch. 51/55 recoupment. The following amounts were received in each category during the biennium:

Specialty Courts and Diversion Programs:

The SPD has been an active participant in specialty courts and diversion programs since the creation of the first Wisconsin Drug Court in Dane County in 1996. These specialty courts and diversion programs provide evidence-based, cost-effective alternatives to conviction and incarceration for participants.

SPD staff attorneys are active in over 70 specialty courts statewide. They include drug treatment courts, Operating While Intoxicated (OWI) courts, family treatment courts, mental health courts, veterans' courts, and co-occurring disorders courts. SPD staff attorneys are also involved in the planning stages for additional specialty courts. SPD involvement is critical to the success of these courts because research shows the importance of having full participation of collaborative evidence-based and treatment-oriented teams of justice professionals when determining effective interventions for offenders. Staff attorneys are also active in diversion programs that allow clients to resolve charges by meeting specified conditions such as participation in programming and payment of restitution.

SPD staff attorneys serve on the board of the Wisconsin Association of Treatment Court Professionals (WATCP), which is the professional organization supporting those who work with specialty courts including judges, prosecutors, probation agents, case managers, and treatment providers.

State Criminal Justice Coordinating Council:

In April of 2012, Executive Order #65 created a state-level Criminal Justice Coordinating Council (CJCC). Chaired by the Attorney General and the Secretary of the Department of Corrections, the CJCC Executive Council has permanent membership including the State Public Defender. The mission of the CJCC is to "facilitate the implementation of effective, data driven criminal justice policies and practices that maximize justice and the safety of the public."

The SPD is also playing a leading role in the planning process for a National Institute of Corrections Evidence Based Decision Making technical assistance grant.

Local office SPD staff attorneys serve on county-level criminal justice coordinating councils statewide.

Awards Received:

The SPD was nominated for both the *2015 Secretary of Defense Freedom Award* and the Wisconsin Committee for Employer Support of the Guard and Reserve's *Patriot Award*. Both nominations reflect the agency's support of employee participation in the Guard and Reserves.

Twelve SPD attorneys were recognized with individual awards including the *Leader In The Law Award* and *Up and Coming Lawyer Award*. In addition, 2 SPD staff members and 1 SPD Board member was recognized with an *Unsung Heroes Award*, and an agency initiative was recognized as an innovative program.

Racial & Implicit Bias and Cultural Humility:

Expanding on the SPD's efforts in 2012 to conduct Racial Bias Discussion Circles, the SPD is now conducting training with staff to understand implicit bias.

Implicit bias refers to judgments and behaviors that result in unconscious manifestation of stereotypes.

This training is combined with a focus on cultural humility, which encourages lifelong learning and self-reflection, client-focused interviewing and care, community-based care and advocacy, and institutional consistency.

The SPD has also conducted several trainings on racial biases with all criminal justice system partners in Milwaukee County.

Specialty Practice Group Coordinators:

The SPD expanded the scope and availability of specialty practice groups for Termination of Parental Rights Cases, Immigration Issues, Juvenile Cases, Chapter 980 Cases, Forensic Sciences, Racial Disparity Challenges and Homicide Cases. These practice groups allow us to share specialized knowledge and expertise more efficiently, by lessening the need for staff and private bar attorneys to "reinvent the wheel" in these complex practice areas.

Each practice group is led by a staff attorney coordinator (or coordinators) who stay abreast of the latest developments in the practice area and share this expertise as an advisor, mentor, and educator. Coordinators assist others in quickly changing areas of legal practice. Each coordinator compiles practice materials, such as motions, briefs, transcripts, case outlines, and research/articles/studies to share with other attorneys. Coordinators also track the legal developments and other details in their practice areas. Attorneys contact them as needed when they are preparing a client's case or have a question in a new or undeveloped area of the law.

The practice group coordinators also assist with the SPD's training efforts, including presenting at the annual conference. Some coordinators conduct or assist with expert examinations at motion hearings and trials.
