### AGENCY DESCRIPTION

General appropriations are provided to supplement the appropriations of state agencies for costs that cannot be anticipated in the budget, such as pay plan or rent increases. Allocations from most of these appropriations are ultimately shown as an expenditure of the department requiring the supplement. Amounts are released only when agencies cannot fund the increases, in whole or in part, from their present appropriations. Such appropriations include the following:

Program 1: Employee Compensation and Support. Designated for increased salary and fringe benefits costs due to pay adjustments approved by the Joint Committee on Employment Relations or in collective bargaining agreements. This program also contains supplemental appropriations for risk management functions, a chargeback for financial services provided to agencies and the accommodation of a physical disability of a state employee.

Program 2: State Programs and Facilities. Designated for rental, remodeling and moving costs under s. 16.843, Wisconsin Statutes; maintenance of the State Capitol and Executive Residence; and funds for groundwater surveys and analysis.

Program 3: Taxes and Special Charges. Designated for the payment of property taxes to local governments and to supplement state agencies' non-GPR appropriations for payments for services provided by municipalities to state facilities.

Program 4: Joint Committee on Finance Supplemental Appropriations. Designated for release by the Joint Committee on Finance to supplement agencies' appropriations for special programs or emergencies.
