AGENCY DESCRIPTION

The authority, created by the Legislature in 1973, has been providing active capital financing assistance to Wisconsin nonprofit health care institutions since 1979. In 1987, the authority's charter was expanded to include the issuance of bonds for the benefit of independent colleges and universities and certain continuing care facilities. In 2004, the authority's charter was further expanded to include the issuance of bonds for the benefit of private, nonprofit elementary or secondary educational institutions. In 2009, the authority's charter was again expanded to include the issuance of bonds for the benefit of nonprofit research facilities. In 2013, the authority's charter was permanently expanded to include the issuance of bonds for the benefit of all Wisconsin nonprofit organizations that are tax exempt under s. 501(c)(3) of the Internal Revenue Code.

The authority is governed by a seven-member board of directors appointed by the Governor with advice and consent of the Senate for staggered seven-year terms. Members of the authority must be residents of the state and not more than four may be members of the same political party.
