Wisconsin Department of Administration – Division of Executive Budget and Finance

BULLETIN 11-16-2017

Full Control on Appropriations

We have loaded and reconciled the Fiscal Year 2018 budget. We also loaded the Fiscal Year 2017 continuing appropriation and encumbrance spending authority roll.

Please review the biennial budgets and make allotment line updates as appropriate. Agencies have until Friday, December 1, 2017, to adjust their appropriations in STAR. After Friday, we will be implementing full control on Chapter 20 appropriations.

If you have any concerns or questions regarding this date, please contact Karolyn Cassidy at karolyn.cassidy@wisconsin.gov.

Budget Reference Coding

Agencies should only be processing increases or transfers to budget lines with a budget reference of FY2018. If there are any budget line issues concerning other budget reference years, please contact Cory Johnson at cory.johnson@wisconsin.gov or Lori Keil at lori.keil@wisconsin.gov.
