BULLETIN 11-24-2017

Pay Period 24 Processing

The State Controller's Office is working with STAR to resolve an issue during the payroll budget check processing for pay period 24. Therefore, the loading of the payroll journals into the general ledger will be delayed.

We will send out a notification, once the budget check process has been completed and the payroll journals have been loaded.

If you have any questions, please contact Karolyn Cassidy at karolyn.cassidy@wisconsin.gov.
