FY 2017 Collected Revenue Analysis – Certifying Form 78's Webinar

The State Controller's Office is finalizing the procedures that agencies will need to use in analyzing their collected revenues for FY 2017. The procedures involve two new queries for the collected and recognized revenue tables. This process will be discussed in the "Certifying Form 78's" webinar on Wednesday, June 28th at 10:30 am – 12:00 pm in room 112 of the Administration Building.
