PAYROLL

Payroll transactions will be loaded as general ledger journal transactions in STAR.

FEDERAL TAXES

- Federal taxes will be paid via A/P vouchers in STAR. The Supplier ID is FEDERALTAX. Vouchers for this Supplier ID are automatically routed to the SCO for final approval.

- Federal Taxes for Pay Period 21 will be loaded into STAR A/P during the week of October 5\textsuperscript{th}. Agencies should adjust the vouchers to match the 941 reports.

STATE TAXES

- State taxes will be paid similar to Federal taxes, on A/P vouchers within STAR. The Supplier ID is STATETAX. Vouchers for this Supplier ID are automatically routed to the SCO for final approval.

ETF BENEFIT PAYMENTS

Benefits paid to ETF will be processed using Interunit Billings. Please note that those benefit payment transactions that are not due to ETF until October, will be loaded into STAR vs. WiSMART. These are summarized as follows:
Benefit Payment | Payee | Due Date | Pay Periods to be Loaded into STAR
--- | --- | --- | ---
Wisconsin Retirement System | ETF | 10/24 | 18, 19 and 20
Health Insurance | ETF | 10/24 | 19 and 20
Federal Tax | IRS | Per schedule | 20
State Tax | DOR | 10/31 | 14 - 20

**PAYROLL SUPPLEMENTS**
Payroll supplements must be processed in STAR using A/P payment vouchers coded to the Supplier ID SINGLEPAY. Please note that the payment date must be adjusted so that the check is produced in time to distribute to the employee.

**REDEPOSITS OF PAYROLL CHECKS**
Payroll redeposits should follow the Regular Deposit – [Direct Journal Payment Job Aid](#).
