Statutory and/or Administrative Code Audit Requirements

1. Does your state agency have statutory and/or administrative code audit requirements not captured by the State Single Audit Guide impacting the state programs listed above?		No
a. If yes, please provide the specific statute and/or administrative code reference and statute text below. Additionally, please include the reference to the audit procedures. If no, no further information is required.		
Statute and/or Administrative Code Reference	Statute and/or Administrative Code Text	Reference to Required Audit Procedures

***Type of Funding**

Type	Definition
Contract Amount	An amount awarded through a legal instrument by which a recipient or subrecipient purchases property or services needed to carry out the project or program under a state award.
Cost Reimbursement	An award given on a reimbursement basis, based on actual costs incurred and substantiated to the state awarding agency by the end recipient.
Direct Appropriation	An amount appropriated in statute to a specific end recipient (e.g., a specific not-for-profit organization) for a particular purpose.
Competitive Grant	An award in which the state awarding agency, in line with statutory authority, selects the recipient and/or the amount of state funding through a competitive process, or based on merit or proposals.
Fixed Amount	Type of grant or cooperative agreement under which the state awarding agency, or pass-through entity, provides a specific level (i.e., fixed amount) of support without regard to actual costs incurred by the end recipient under the state award.
Formula Grant	An award allocated among a pool of eligible recipients (e.g., qualified homeless shelters) based on factors specified within enabling legislation or administrative regulations.
Formula/Project Grant	An award typically involving the use of a formula specified within enabling legislation or administrative regulations to allocate available funds among recipients, followed by an application process specified by each recipient to further allocate available funds on a competitive basis among other eligible recipients.
Loan	A state loan or loan guarantee received or administered by a non-Federal entity.
Payment in Lieu of Tax	Payment to compensate municipalities and other local taxing jurisdictions for land or property owned by the State of Wisconsin that is exempt from property tax (e.g., Municipal Services Payments).
Project Grant	Sum of money awarded to fund a specific project for a fixed period of time, usually the duration of the project.
Revenue Sharing	Statutorily required re-distribution of revenues collected by the state back to qualifying municipalities. There are usually limited restriction on the use of these funds (e.g., Shared Revenue Payments).
Statutory Amount	Set amount appropriated in statute to any pool of eligible recipients based on specific criteria outlined in statutes or administrative rules.
Other	Type of state funding not previously listed.

****Relationship**

Subrecipient	An entity, usually but not limited to non-Federal entities, that receives a subaward from a state awarding agency or pass-through entity to carry out part of a state award; but does not include an individual that is a beneficiary of such award.
Beneficiary	Individuals receiving benefits from a state award.
Contractor	Entity that receives a contract as defined above.

*Type of Funding	
Type	Definition
Contract Amount	An amount awarded through a legal instrument by which a recipient or subrecipient purchases property or services needed to carry out the project or program under a federal award.
Cost Reimbursement	An award given on a reimbursement basis, based on actual costs incurred and substantiated to the federal awarding agency by the end recipient.
Cost Sharing	Portion of project costs not paid by Federal funds or contributions.
Direct Appropriation	An amount appropriated in statute to a specific end recipient (e.g., a specific not-for-profit organization) for a particular purpose.
Competitive Grant	An award in which the federal awarding agency, in line with statutory authority, selects the recipient and/or the amount of federal funding through a competitive process, or based on merit or proposals.
Fixed Amount	Type of grant or cooperative agreement under which the federal awarding agency, or pass-through entity, provides a specific level of support without regard to actual costs incurred under the federal award.
Formula Grant	An award allocated among a pool of eligible recipients (e.g., qualified homeless shelters) based on factors specified within enabling legislation or administrative regulations.
Formula/Project Grant	An award typically involving the use of a formula specified within enabling legislation or administrative regulations to allocate available funds among recipients, followed by an application process specified by each recipient to further allocate available funds on a competitive basis among other eligible recipients.
Loan	A federal loan or loan guarantee received or administered by a non-Federal entity, except as used in the definition of <i>program income</i> as defined in 2 CFR 200.1.
Payment in Lieu of Taxes	Payment to compensate states and local taxing jurisdictions for land or property owned by the federal government that is exempt from property tax (e.g., Municipal Services Payments).
Project Grant	Sum of money awarded to fund a specific project for a fixed period of time, usually the duration of the project.
Statutory Amount	Set amount appropriated in statute to any pool of eligible recipients based on specific criteria outlined in statutes or administrative rules.
Other	Type of federal funding not previously listed.

**Relationship	
Relationship	Definition
Subrecipient	An entity, usually but not limited to non-Federal entities, that receives a subaward from a pass-through entity to carry out part of a Federal award; but does not include an individual that is a beneficiary of such award.
Beneficiary	Individuals receiving benefits from a state award.
Contractor	Entity that receives a contract as defined above.
