STATE'S CONTINUING DISCLOSURE UNDERTAKINGS

This Part I of the State of Wisconsin Continuing Disclosure Annual Report, dated December 21, 2007 (**Annual Report**) provides information on the undertakings the State of Wisconsin (**State**) has made to enable brokers, dealers, and municipal securities dealers, in connection with their participation in the offerings of securities issued by the State, to comply with Rule 15c2-12 (b) (5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934.

This Part I of the Annual Report includes the State's Master Agreement on Continuing Disclosure, which establishes a general framework under which the State will provide continuing disclosure on various types of securities the State has issued, and also includes six addenda that describe information to be provided in an annual report about the following types of securities:

- General Obligations
- Master Lease Certificates of Participation
- Transportation Revenue Obligations
- Clean Water Revenue Bonds
- Petroleum Inspection Fee Revenue Obligations
- General Fund Annual Appropriation Bonds

The State has made, and may continue to make, filings required under its Master Agreement on Continuing Disclosure by transmitting the filings to a central post office on the internet that functions as a conduit in receiving filings from municipal securities issuers and then retransmitting the filings electronically to each of the nationally recognized municipal securities information repositories and the state information depository, if any. The Texas Municipal Advisory Council currently provides such a central post office on the internet. The Securities and Exchange Commission has provided interpretive advice to the Texas Municipal Advisory Council concerning the central post office in a letter dated September 7, 2004 and affirmed the advice in a letter dated October 3, 2007.

MASTER AGREEMENT ON CONTINUING DISCLOSURE

This Master Agreement on Continuing Disclosure (the “Disclosure Agreement”) is executed and delivered by the State of Wisconsin (the “Issuer”), a municipal securities issuer and a sovereign government. The Issuer covenants and agrees as follows:

SECTION 1. Definitions. The following capitalized terms shall have the following meanings:

“**Addendum Describing Annual Report**” means an addendum, substantially in the form of Exhibit A hereto, that describes the contents of an Annual Report for a particular type of obligation.

“**Annual Report**” shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 4 and 5 of this Disclosure Agreement.

“**Bonds**” shall mean any issue of the Issuer's obligations to which this Disclosure Agreement applies.

“**Bondholders**” shall mean the beneficial owners from time to time of the Bonds.

“**Disclosure Agreement**” shall mean this agreement.

“**Issuer**” shall mean the municipal securities issuer described above.

“**Listed Events**” shall mean any of the events listed in Section 6 (a) of this Disclosure Agreement.

“**Resolution**” shall mean the resolution or resolutions of the State of Wisconsin Building Commission (the agency of the Issuer responsible for issuance of the Bonds) or the trust indenture entered into by the Issuer, pursuant to which the Bonds are issued.

“**Rule**” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“**State Depository**” shall mean the public or private entity, if any, designated by the Issuer as a state depository for the purpose of the Rule.

“**Supplemental Agreement**” means an agreement, substantially in the form of Exhibit B hereto, that determines that the Disclosure Agreement shall apply to a specific issue of obligations and specifies the contents of the Annual Report.

SECTION 2. Purpose of the Disclosure Agreement. The purpose of this Disclosure Agreement is to assist Participating Underwriters in complying with the Rule in connection with the Bonds.

SECTION 3. Application of the Disclosure Agreement. This Disclosure Agreement shall apply to an issue of Bonds when the Issuer executes and delivers a Supplemental Agreement. This Disclosure Agreement may apply to more than one issue of Bonds but shall be construed as a

separate agreement for each issue of Bonds. The purpose of having this Disclosure Agreement apply to more than one issue of Bonds is to let the Issuer's obligations be uniform for all issues of Bonds.

SECTION 4. Provision of Annual Reports.

(a) The Issuer shall, not later than 180 days following the close of the Issuer's fiscal year (starting with the fiscal year that ends June 30, 1996), provide to each National Repository and State Depository an Annual Report that is consistent with the requirements of Section 5 of this Disclosure Agreement.

(b) If the Annual Report does not include the Issuer's audited financial statements, the Issuer shall submit them to each National Repository and State Depository within ten business days after the statements are publicly available.

(c) If the Issuer fails to provide to each National Repository and State Depository an Annual Report by the date required in subsection (a), the Issuer shall send a notice to each National Repository and State Depository.

SECTION 5. Content of Annual Reports.

(a) The Annual Report shall be provided for each obligated person described in the Addendum Describing Annual Report, and it shall contain or incorporate by reference, the financial statements and operating data, and use the accounting principles, described in the Addendum Describing Annual Report.

(b) The Annual Report may be submitted as a single document or as a package comprising separate documents. Any or all of the items constituting the Annual Report may be incorporated by reference from other documents that have been submitted to (i) each National Repository and the State Depository, if any or (ii) the Securities and Exchange Commission. If the document incorporated by reference is a final official statement, it must be available from the MSRB. The Issuer shall clearly identify each such other document so incorporated by reference.

(c) To allow for uniformity of the contents of Annual Reports with respect to obligations that are similar in character, the Issuer may from time to time describe the contents in an Addendum Describing Annual Report and shall incorporate a description by reference in a Supplemental Agreement.

SECTION 6. Reporting of Significant Events.

(a) This Section 6 shall govern the giving of notices of the occurrence of any of the following events with respect to the Bonds, if material:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults.
3. Unscheduled draws on debt service reserves reflecting financial difficulties.
4. Unscheduled draws on credit enhancements reflecting financial difficulties.
5. Substitution of credit or liquidity providers, or their failure to perform.
6. Adverse tax opinions or events affecting the tax-exempt status of the Bonds.
7. Modifications to rights of Bondholders.
8. Bond calls.
9. Defeasances.

10. Release, substitution, or sale of property securing repayment of the Bonds.
11. Rating changes.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall promptly file a notice of such occurrence with each National Repository and the State Depository, if any (or to the MSRB and the State Depository, if any). Notwithstanding the foregoing, notice of Listed Events described in subsections (a)(8) and (9) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to affected Bondholders if it is required pursuant to the Resolution.

(c) Similarly, if the Issuer determines that it failed to give notice as required by this section, it shall promptly file a notice of such occurrence in the same manner as described in subsection (b).

SECTION 7. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Agreement with respect to the Bonds shall terminate upon the legal defeasance, prior redemption or payment in full of all the Bonds or if the Rule shall be revoked or rescinded by the Securities and Exchange Commission or declared invalid by a final decision of a court of competent jurisdiction.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Issuer may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if the following conditions are met:

(a) The amendment or waiver may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Issuer, or an obligated person, or the type of business conducted; and

(b) This Disclosure Agreement, as amended or waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver does not materially impair the interests of Bondholders, as determined by an opinion of nationally recognized bond counsel, a certificate from an indenture trustee for the Bonds, or an approving vote of Bondholders pursuant to the terms of the Resolution at the time of the amendment or waiver.

SECTION 9. Additional Information. The Issuer may from time to time choose to disseminate other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or include other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Resolution, and the sole remedy of a Bondholder under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action to compel performance. The Issuer reserves any defense it may have to any such action including that this Disclosure Agreement violates sovereign rights or that no funds have been appropriated for performance.

SECTION 11. Beneficiaries. The Issuer intends to be contractually bound by this Disclosure Agreement. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Participating Underwriters and Bondholders from time to time of the Bonds, and shall create no rights in any other person or entity.

SECTION 12. Responsible Officer. Pursuant to a resolution adopted by the State of Wisconsin Building Commission on August 9, 1995, the Capital Finance Director has been authorized to execute this Disclosure Agreement on behalf of the Issuer and the Capital Finance Office has been designated the office of the Issuer responsible for providing Annual Reports and giving notice of Listed Events, to the extent required hereunder.
