977123 Prefix (All)	97712V Prefix (All)

Type of Information: Ratings Change (Recalibration)

On April 5, 2010, Fitch Ratings commenced a recalibration of certain U.S. public finance credit ratings. As a result of this recalibration, the following is a summary of changes in ratings for various State of Wisconsin credits.

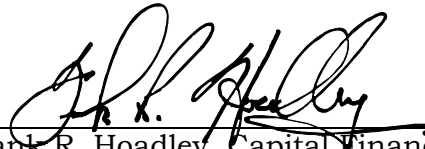

<u>Credit</u>	<u>Previous Rating (Fitch Ratings)</u>	<u>Current/ Recalibrated Rating (Fitch Ratings)</u>
General Obligation Bonds	AA-	AA
Master Lease Certificates of Participation	A+	AA-
General Fund Annual Appropriation Bonds	A+	AA-
Petroleum Inspection Fee Revenue Bonds	AA-	AA
Transportation Revenue Bonds	AA	AA+

According to Fitch Ratings, the recalibration should not be interpreted as an improvement in the credit quality of the State of Wisconsin obligations or other securities; rather, the intent of the recalibration is to ensure a greater degree of comparability across Fitch Ratings' global portfolio of credit ratings. Further information on the recalibration may be obtained from Fitch Ratings.

The State of Wisconsin has filed this notice with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system. This filing is also available on the State of Wisconsin Capital Finance Office web site at:
