
State of Wisconsin
Additional/Voluntary Filing #2011-11
Dated August 17, 2011

This Additional/Voluntary Filing does not concern an event described in Securities and Exchange Act Rule 15c2-12, as amended. The State of Wisconsin provides this information as it may be material to financial evaluation of one or more obligations of the State of Wisconsin.

Issuer: State of Wisconsin (**State**)

CUSIP Numbers: See attached list

Type of Information: Financial/Operating Data
Additional Voluntary Disclosure
Other Financial/Operating Data

The State has not been informed by Standard & Poor's of any rating action affecting its obligations. The following information is based on incidental third-party sources, but is assumed to be correct.

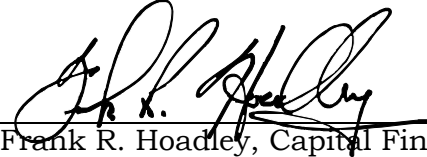

On August 5, 2011, Standard & Poor's downgraded the long-term sovereign credit rating of the United States of America to "AA+" from "AAA". Many obligations of the State have been advance refunded; that is the State has deposited investments into an escrow fund (consisting of direct obligations of, or obligations guaranteed by the United States of America or obligations of the Federal National Mortgage Association) that, with interest to be earned and any beginning cash deposit, were sufficient to pay interest on (when due), principal of (at the redemption or maturity date), and premium, if any, on the advance refunded obligations.

Attached is a list of CUSIP numbers that, at the State's request, have been assigned to the State's advance refunded obligations. The State did not request that Standard & Poor's assign a rating to any of these obligations. At this time, the State has been made aware that Standard & Poor's previously provided a rating on three (3) of the advance refunded obligations included in the attached list. With the downgrade to the long-term sovereign credit rating of the United States of America, Standard & Poor's has downgraded these three (3) advance refunded obligations to "AA+" from "AAA". These three advance refunded obligations that have been downgraded are specifically marked in the attached CUSIP list. An additional filing will be made as an Event Filing/Rating Change for these three (3) obligations.

The State of Wisconsin is providing this Additional/Voluntary Filing with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system. This Additional/Voluntary Filing is also available on the State of Wisconsin Capital Finance Office web site at:
