(b) "Program change" means program discontinuance, curtailment, modification, or redirection.

(c) "Termination" means the permanent elimination of a faculty member's employment by the system.

(2) LAYOFF OR TERMINATION DUE TO CERTAIN CIRCUMSTANCES. (a) The board may, under this section and s. 36.21, with appropriate notice, lay off or terminate any faculty member when such an action is deemed necessary due to a budget or program decision requiring a program change.

(b) Any layoff or termination of a faculty member under par. (a) may be made only in accordance with the provisions of this section and implies the retention of rights indicated in this section. A faculty member who is laid off retains the rights specified in subs. (11) to (16) and a faculty member who is terminated retains the rights specified in subs. (13) and (14).

(c) Nonrenewal of an appointment, regardless of the reason, is not a layoff or termination under this section.

(3) SENIORITY. (a) In the case of layoffs of faculty members due to a budget or program decision requiring a program change, layoffs shall follow seniority unless a clear and convincing case is made that program or budget needs dictate other considerations such as the need to maintain diversity of specializations within a department.

(b) The faculty of each institution shall determine the form of seniority that is to be considered. This determination shall be effective uniformly throughout the institution. Seniority may be defined in the following, or in other, ways:

1. Without regard to rank, with seniority established by total years of service in the institution.

2. By rank, and within rank according to total years of service in the institution.

3. By rank, and within rank, according to length of service in the institution at that rank.

(4) NOTIFICATION. (a) Each faculty member who is to be laid off shall receive prompt written notification from the chancellor. Prior to issuing a layoff notification, the chancellor shall offer to consult with, and seek advice from, a faculty committee designated or created by the faculty of the institution.

(b) The notification under par. (a) shall include all of the following:

1. A summary of the reasons supporting the need for the layoff.

2. A statement of the basis on which the individual position was selected for elimination and one of the following:

a. If the position was selected for elimination on the basis of seniority, the criterion used and data supporting the choice.

b. If the position was selected for elimination on a basis other than seniority, the data and reasons supporting that choice.

3. A statement of the date on which the layoff is to be effective.

4. A copy of the statutes regarding layoff of faculty due to a budget or program decision requiring a program change and such other information or procedural regulations as the chancellor deems appropriate.

(5) NOTIFICATION PERIOD. (a) In the case of the layoff of faculty due to a budget or program decision requiring a program change, notification must be given at least 12 months in advance of the effective date.

(b) During the 12-month period under par. (a), and prior to entering layoff status, the chancellor may offer as appropriate, and the faculty member may accept, any of the following:

1. Terminal leave and early retirement.

2. Relocation leave accompanied by resignation.

(c) Acceptance of either option under par. (b) terminates the faculty member's association with the system at the end of the leave period.

(6) FACULTY HEARING COMMITTEE. (a) The faculty of each institution shall establish a committee or designate an existing committee to serve as a hearing committee for the purposes of this section. The committee shall consist of faculty members of the institution chosen by the faculty in a manner to be determined by the faculty. This standing faculty committee shall conduct the hearing, make a verbatim record of the hearing, prepare a summary of the evidence, and transmit the record and summary along with its recommended findings of law and decision to the board.

(7) REVIEW HEARING. (a) A faculty member who has been notified of layoff is entitled to a hearing before the faculty hearing committee as to the appropriateness of the decision to lay off that particular individual. The budget or program decisions made to discontinue, curtail, modify, or redirect a program are not subject to review in the hearing.

(b) A hearing must be requested within 20 days of the receipt by the faculty member of notification of layoff. The request shall state with particularity the grounds to be relied upon in establishing the impropriety of the decision. Relevant information supplementary to that contained in the notification statement may be requested. The question to be considered in the review is whether one or more of the following improper factors entered into the decision to lay off:

1. Conduct, expressions, or beliefs on the faculty member's part that are constitutionally protected, or protected by the principles of academic freedom.

2. Factors proscribed by applicable state or federal law regarding fair employment practices.

3. Improper selection of the individual to be laid off.

(c) For purposes of par. (b), "improper selection" has occurred if material prejudice resulted from any of the following:

1. The procedures required by the board were not followed.

2. Available data bearing materially on the role of the faculty member in the institution were not considered.

3. Unfounded or arbitrary assumptions of fact were made.

4. Immaterial or improper factors other than those specified in par. (b) entered into the decision.

(d) The committee shall determine whether one or more of the improper factors under par. (b) entered significantly into and affected the layoff decision on the basis of the evidence presented. If the committee believes that one or more improper factors may have entered into the layoff decision but is convinced that the same decision would have been reached had the error or errors not occurred, the committee shall find the layoff decision to have been proper. The committee shall report its findings and recommendations to the chancellor and the faculty member.

(8) HEARING PROCEDURE. (a) If the faculty hearing committee requests, the chancellor shall provide legal counsel to the committee for a hearing under sub. (7). The hearing shall be closed unless the faculty member who has been notified of layoff requests an open hearing, in which case it shall be open.

(b) The faculty hearing committee may, on motion of either party, disqualify any one of its members for cause by a majority vote. If one or more of the faculty hearing committee members disqualify themselves or are disqualified, the remaining members may select a number of other members of the faculty equal to the number who have been disqualified to serve, except that alternative methods of replacement may be specified in the rules and procedures adopted by the faculty establishing the hearing committee under sub. (6). No faculty member who participated in the decision to lay off or who is a material witness may sit in on the faculty hearing committee.

(c) The faculty member shall be given at least 10 days' notice of the hearing. The hearing shall be held not later than 20 days after the request for hearing except that this time limit may be extended by mutual consent of the parties or by order of the faculty hearing committee.

(d) The faculty member shall have access to the evidence on which the administration intends to rely to support the decision to lay off, and shall be guaranteed all of the following minimal procedural safeguards at the hearing:

1. A right to be heard on his or her own behalf.

2. A right to counsel or other representatives or both, and to offer witnesses.

3. A right to confront and cross-examine adverse witnesses.

4. A verbatim record of the hearing, which might be a sound recording, provided at no cost.

5. Written findings of fact and decision based on the hearing record.

6. Admissibility of evidence as described in s. 227.45 (1) to (4).

(e) Adjournments shall be granted to enable either party to investigate evidence as to which a valid claim of surprise is made.

(9) RECOMMENDATIONS AND REVIEW BY THE BOARD. The layoff decision of the chancellor and the recommendations, if any, of the faculty hearing committee, shall be transmitted to the president and to the board and acted upon as follows:

(a) If the faculty member has not requested a hearing before the faculty hearing committee, the chancellor's decision shall be deemed proper and shall be reported for information to the president and the board.

(b) If the faculty member has requested a hearing and the faculty hearing committee has found the decision to be proper, the report of the faculty hearing committee shall be forwarded to the president and board by the chancellor with a recommendation. The faculty member may request a review by the board, and the board review panel may at its option grant a review. Unless the board review panel grants the request for review, the recommended findings of fact and decision of the faculty hearing committee shall be the final decision of the board.

(c) If after a hearing, the faculty hearing committee's recommended findings of fact and decision are that the initial decision was improper, the chancellor shall review the matter and give careful consideration to the committee's finding. If the chancellor accepts the committee's findings, the chancellor's decision shall be final. If the chancellor contests the recommended findings that the decision was improper, the verbatim record, a summary of the evidence, and the recommended findings of law and decision shall be forwarded to the board review panel. The chancellor and the faculty member shall be furnished with copies of this material and shall have a reasonable opportunity to file written exceptions to the summary and proposed findings and decision and to argue with respect to them orally and in writing before the board review panel. The board review panel shall hear and decide the case and the decision of the board review panel shall be final.

(10) BOARD REVIEW. A review panel shall be appointed by the president of the board, and shall include 3 members of the board, and 2 nonvoting staff members from the academic affairs office of the system. The panel shall review the criteria and reasoning of the chancellor and the findings and recommendations of the faculty hearing committee in each case forwarded for its review, and shall reach a decision on the recommendation to be

approved. The decision shall be final and binding upon the chancellor and the faculty member affected unless one or more of the board members of the review panel request that the decision be reviewed by the full board, in which case the record shall be reviewed and a decision reached by the full board.

(11) LAYOFF STATUS. (a) A faculty member whose position has been eliminated or reduced in accordance with the provisions of this section shall, at the end of the appropriate notice period, be placed on layoff status, unless the layoff notice has been rescinded prior to that time.

(b) The faculty member whose notice period has expired, and who is placed on layoff status, shall remain on layoff status until any of the following occurs:

1. The period of the faculty member's appointment has expired under its own terms.

2. The faculty member is reappointed to the position from which he or she was laid off. Failure to accept a reappointment terminates the faculty member's association with the system.

3. The faculty member accepts an alternative continuing position in the system. Failure to accept an alternate appointment does not terminate the faculty member's association with the system.

4. The faculty member resigns.

5. The faculty member, while on layoff status, fails to notify the chancellor by December 1 of each year as to his or her location, employment status, and desire to remain on layoff status. Failure to provide this notice of desire to remain on layoff status terminates the faculty member's association with the system.

(12) ALTERNATIVE EMPLOYMENT. Each institution shall devote its best efforts to securing alternative appointments within the institution in positions for which faculty laid off under this section are qualified under existing criteria. In addition, the system shall provide financial assistance for one year for faculty who are designated for layoff to readapt within the department or within another department of the institution, where readaptation is feasible. Further, the system shall devote its best efforts to ensure that faculty members laid off or terminated in any institution are made aware of openings within the system.

(13) REAPPOINTMENT RIGHTS. Each institution shall establish administrative procedures and policies to ensure that where layoffs or terminations occur due to a budget or program decision requiring a program change, no person may be employed at that institution within 3 years to perform reasonably comparable duties to those of the faculty member laid off or terminated without first offering the laid off or terminated faculty member reappointment without loss of seniority and other rights. The 3-year period shall be computed from the effective date of layoff as specified in the original notice.

(14) RETENTION OF RANK AND SALARY. Any faculty member reappointed within 3 years after layoff or termination shall be reappointed with a rank and salary at least equivalent to the rank and salary when laid off or terminated, together with such other rights and privileges that may have accrued at that time. Any faculty member relocated within an institution or within the system shall not have either rank or salary adversely affected except by consent at the time of relocation.

(15) RIGHTS OF FACULTY MEMBERS ON LAYOFF. A faculty member on layoff status in accord with the provisions of this section has the reemployment rights guaranteed by subs. (13) and (14), and has all of the following minimal rights:

(a) The right to participate in fringe benefit programs as is allowed by state statutes and rules governing rights of laid off state employees.

(b) The right to continued use of campus facilities as is allowed by policies and procedures established by the department and institution.

(b) If the department issues building permits for dwellings in a political subdivision, a person applying for the waiver shall submit the application to the department.

(c) The waiver is requested based upon the long-established tenets and teachings of the religious sect of which the person is a member and the religious sect did not establish these tenets and teachings solely to avoid compliance with dwelling construction standards.

(d) The person agrees to modify the dwelling for which the waiver is requested to comply with dwelling construction standards if the person ceases to adhere to

the tenets or teachings of the religious sect of which the person is a member and upon which the waiver is requested.

The aggregate benefits in ~~such~~ that case shall not exceed twice the average annual earnings of the deceased; or 4 times the contributions of the deceased to the support of ~~such~~ his or her dependents during the year immediately preceding the deceased employee's death, whichever amount is the greater. 102.56 (1) Subject to sub. (2), if an employee is so permanently disfigured as to occasion potential wage loss due to the disfigurement, the department or the division may allow such sum as the department or the division considers just as compensation for the disfigurement, not exceeding the employee's average annual earnings. In determining the potential for wage loss due to the disfigurement and the sum awarded, the department or the division shall take into account the age, education, training, and previous experience and earnings of the employee, the employee's present occupation and earnings, and likelihood of future suitable occupational change. Consideration for disfigurement allowance is confined to those areas of the body that are exposed in the normal course of employment. The

department or the division shall also take into account the appearance of the disfigurement, its location, and the likelihood of its exposure in occupations for which the employee is suited.

SECTION 2970d. 102.56 (2) of the statutes is amended to read:

102.56 (2) If an employee who claims compensation under sub. (1) returns to work for the employer who employed the employee at the time of the injury, or is offered employment with that employer, at the same or a higher wage, the department or the division may not allow that compensation unless the employee suffers an actual wage loss due to the disfigurement.

SECTION 2971d. 102.565 (1) of the statutes is amended to read:

102.565 (1) When ~~an employee working subject to this chapter~~, as a result of exposure in the course of his or her employment over a period of time to toxic or hazardous substances or conditions, an employee performing work that is subject to this chapter develops any clinically observable abnormality or condition ~~which that~~, on competent medical opinion, predisposes or renders the employ employee in any manner differentially susceptible to disability to such an extent that it is inadvisable for the employee to continue employment involving ~~such that~~ exposure ~~and the employee~~, is discharged from or ceases to continue the employment, and suffers wage loss by reason of ~~such that~~ discharge from, or ~~such~~ cessation of employment, the department or the division may allow such sum as ~~it deems~~ the department or the division considers just as compensation ~~therefor for that wage loss~~, not exceeding \$13,000. ~~In the event If~~ a nondisabling condition may also be caused by toxic or hazardous exposure not related to employment, and ~~if~~ the employee has a history of ~~such that~~ exposure, compensation as provided by under this section or any other remedy for loss of earning capacity shall not be allowed ~~nor shall any other remedy for loss of earning capacity. In case of such discharge. If the employee is discharged from employment~~ prior to a finding by the department or the division that it is inadvisable for the employee to continue in ~~such that~~ employment and if it is reasonably probable that continued exposure would result in disability, the liability of the employer who ~~so~~ discharges the employee is primary, and the liability of the employer's insurer is secondary, under the same procedure and to the same effect as provided by s. 102.62.

SECTION 2972d. 102.565 (2) of the statutes is amended to read:

102.565 (2) Upon application of any employer or employee the department or the division may direct any employee of the employer or an employee who, in the course of his or her employment, has been exposed to toxic or hazardous substances or conditions, to submit to examination by ~~a physician or one or more~~ one or more physicians ~~to be~~ appointed by the department or the division to deter-

If injury is caused by the failure of the employer to comply with any statute, rule, or order of the department of safety and professional services, compensation and death benefits provided in this chapter shall be increased 15% by 15 percent but the total increase may not exceed \$15,000. Failure of an employer reasonably to enforce compliance by employees with any statute, rule, or order of the department of safety and professional services constitutes failure by the employer to comply with that statute, rule, or order.

SECTION 2975. 102.58 of the statutes is amended to read:

102.58 Decreased compensation. If injury is caused by the failure of the employee to use safety devices that are provided in accordance with any statute, rule, or order of the department of safety and professional services and that are adequately maintained, and the use of which is reasonably enforced by the employer, if injury results from the employee's failure to obey any reasonable rule adopted and reasonably enforced by the employer for the safety of the employee and of which the employee has notice, or if injury results from the intoxication of the employee by alcohol beverages, as defined in s. 125.02 (1), or use of a controlled substance, as defined in s. 961.01 (4), or a controlled substance analog, as defined in s. 961.01 (4m), the compensation and death benefit provided in this chapter shall be reduced 15% by

15 percent but the total reduction may not exceed \$15,000.

Within 60 days after receiving that report, the employer shall provide to the employee in writing an offer of suitable employment, a statement that the employer has no suitable employment for the employee, or a report from a physician, chiropractor, psychologist, or podiatrist showing that the permanent work restrictions provided by the employee's practitioner are in dispute and documentation showing that the difference in work restrictions would materially affect either the employer's ability to provide suitable employment or a vocational rehabilitation counselor's ability to recommend a rehabilitative training program. If the employer and employee cannot resolve the dispute within 30 days after the employee receives the employer's report and documentation, the employer or employee may request a hearing before the department division to determine the employee's work restrictions. Within 30 days after the department division determines the employee's work restrictions, the employer shall provide to the employee in writing an offer of suitable employment or a statement that the employer has no suitable employment for the employee.

SECTION 2980d. 102.61 (1m) (c) of the statutes is amended to read:

102.61 (1m) (c) The employer or insurance carrier shall pay the reasonable cost of any services provided for an employee by a private rehabilitation counselor under par. Notwithstanding that the department or the division may authorize under s. 102.43 (5) (b) a rehabilitative training program that lasts longer than 80 weeks, a rehabilitative training program that lasts 80 weeks or less is presumed to be reasonable.

102.61 (2) The department division, the commission, and the courts shall determine the rights and liabilities of the parties under this section in like manner and with like effect as the department division, the commission, and the courts determine other issues under this chapter. A determination under this subsection may include a deter-

SECTION 2985. 102.62 of the statutes is amended to read:

102.62 Primary and secondary liability; unchangeable. In case of liability under s. 102.57 or 102.60, the liability of the employer shall be primary and the liability of the insurance carrier shall be secondary. If proceedings are had before the ~~department~~ division for the recovery of that liability, the ~~department~~ division shall set forth in its award the amount and order of liability as provided in this section. Execution shall not be issued against the insurance carrier to satisfy any judgment covering that liability until execution has first been issued against the employer and has been returned unsatisfied as to any part of that liability. Any provision in any insurance policy undertaking to guarantee primary liability or to avoid secondary liability for a liability under s. 102.57 or 102.60 is void. If the employer has been adjudged bankrupt or has made an assignment for the benefit of creditors, or if the employer, other than an individual, has gone out of business or has been dissolved, or if the employer is a corporation and its charter has been forfeited or revoked, the insurer shall be liable for the payment of that liability without judgment or execution against the employer, but without altering the primary liability of the employer.

SECTION 2987d. 102.64 (1) of the statutes is amended to read:

The department of justice, after giving notice to the department of administration, may compromise the amount of those payments but such compromises shall be subject to review by the department of ~~workforce development~~ or the division. If the spouse or domestic partner under ch. 770 of the deceased employee compromises his or her claim for a primary death benefit, the claim of the children of the employee under s. 102.49 shall be compromised on the same proportional basis, subject to approval by the department or the division. If the persons entitled to compensation on the basis of total dependency under s. 102.51 (1) compromise their claim, payments under s. 102.49 (5) (a) shall be compromised on the same proportional basis.

SECTION 2988d. 102.64 (2) of the statutes is amended to read:

The department of justice may compromise claims in those proceedings, but the compromises are subject to review by the department of ~~workforce development~~ or the division. Costs incurred by the department of justice in prosecuting or defending any claim for payment into or out of the work injury supplemental benefit fund under s. 102.65, including expert witness and witness fees but not including attorney fees or attorney travel expenses for services performed under this subsection, shall be paid from the work injury supplemental benefit fund.

SECTION 2991d. 102.65 (3) of the statutes is amended to read:

102.65 (3) The department of workforce development may retain the department of administration to process, investigate, and pay claims under ss. 102.44 (1), 102.49, 102.59, and 102.66. If retained by the department of workforce development, the department of administration may compromise a claim processed by that department, but a compromise made by that department is subject to review by the department of workforce development or the division. The department of workforce development shall pay for the services retained under this subsection from the appropriation account under s. 20.445 (1) (t).

SECTION 2992. 102.65 (4) (intro.) of the statutes is amended to read:

102.65 (4) (intro.) The secretary shall monitor the cash balance in, and incurred losses to, the work injury supplemental benefit fund using generally accepted actuarial principles. If the secretary determines that the expected ultimate losses to the work injury supplemental benefit fund on known claims exceed 85 percent of the cash balance in that fund, the secretary shall consult with the council on worker's compensation. If the secretary, after consulting with the council on worker's compensation, determines that there is a reasonable likelihood that the cash balance in the work injury supplemental benefit fund may become inadequate to fund all claims under ss. ~~102.44 (1) (e)~~, 102.49, 102.59, and 102.66, the secretary shall file with the secretary of administration a certificate attesting that the cash balance in that fund is likely to become inadequate to fund all claims under ss. ~~102.44 (1) (e)~~, 102.49, 102.59, and 102.66 and specifying one of the following:

102.17 (4), the department or the division may, in lieu of worker's compensation benefits, direct payment from the work injury supplemental benefit fund under s. 102.65 of such compensation and such medical expenses as would otherwise be due, based on the date of injury, to or on behalf of the injured employee. The benefits shall be supplemental, to the extent of compensation liability, to any disability or medical benefits payable from any group insurance policy whose premium is paid in whole or in part by any employer, or under any federal insurance or benefit program providing disability or medical benefits. Death benefits payable under any such group policy do not limit the benefits payable under this section.

SECTION 2996d. 102.75 (1) of the statutes is amended to read:

102.75 (1) The department shall assess upon and collect from each licensed worker's compensation insurance carrier and from each employer exempted under s. 102.28 (2) by special order or by rule, the proportion of total costs and expenses incurred by the council on worker's compensation for travel and research and by the department, the division, and the commission in the administration of this chapter for the current fiscal year plus any deficiencies in collections and anticipated costs from the previous fiscal year, that the total indemnity paid or payable under this chapter by each such carrier and exempt employer in worker's compensation cases initially closed during the preceding calendar year, other than for increased, double or treble compensation bore to the total indemnity paid in cases closed the previous calendar year under this chapter by all carriers and exempt employers other than for increased, double or treble compensation. (b) The maximum amount that the department may collect under par. (a) in a calendar year is \$5,000,000. If the amount determined collectible under par. (a) in a calendar year is \$5,000,000 or less, the department shall collect that amount. If the amount determined collectible under par. (a) in a calendar year exceeds \$5,000,000, the

department shall collect \$5,000,000 in the year in which the determination is made and, subject to the maximum amount collectible of \$5,000,000 per calendar year, shall collect the excess in the next calendar year or in subsequent calendar years until that excess is collected in full.

(c) This subsection does not apply to claims for reimbursement under s. 102.44 (1) (c) 1. for supplemental benefits paid for injuries that occur on or after January 1, 2016.

a. "Affiliated provider" means a provider that has control of, is subject to the control of, or is under common control with another provider.

b. "Combined revenues" means the aggregate revenues received by a provider from all purchasers of all rate-regulated services provided by the provider.

c. "Control" means the possession of the power, directly or indirectly, to direct or cause the direction of the management and policies of a provider through the ownership of more than 50 percent of the voting rights of the provider, by contract, or otherwise.

d. "Provider" means a nonstock corporation organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17), and that contracts under this section to provide client services on the basis of a unit rate per client service or a county department under s. 46.215, 46.22, 46.23, 51.42, or 51.437 that contracts under this section to provide client services on the basis of a unit rate per client service.

f. "Rate-regulated service" means a rate-based service that is reimbursed through a rate established under s. 49.343.

2. Subject to subds. 3., 4., and 5., if revenue under a contract for the provision of a rate-based service exceeds allowable costs incurred in the contract period, the provider shall be permitted to retain any surplus generated by that rate-based service as provided in this subdivision and to use that retained amount, in the sole discretion of the provider, to cover any allowable costs specified in 2 CFR Part 200 or in any other applicable federal law or regulation. Subject to subds. 3., 4., and 5., a provider may accumulate funds from more than one contract period under this subdivision. A contract for a rate-based service may not limit the provider to retaining from any surplus generated by that service an amount that is less than 5 percent of the revenue received under the contract. Nothing in this subdivision shall be construed to guarantee the generation of a surplus by a provider of a rate-based service.

3. a. Subject to subds. 3. b. and 4., if on December 31 of any year the combined revenues from all contract periods ending during that year for all rate-regulated services exceed the allowable costs related to the provision of those rate-regulated services in that year, the provider shall be permitted to retain any surplus generated by those rate-regulated services as provided in this subd. 3. a. and to use that retained amount, in the sole discretion of the provider, to cover any allowable costs specified in 2 CFR Part 200 or in any other applicable federal law or regulation. If on December 31 of any year the amount accumulated by a provider from all contract periods ending during that year for a rate-regulated service exceeds 5 percent of the total revenue received from all of those contract periods, the provider shall provide written notice of that excess to all purchasers of that rate-regulated service and, upon the written request of such a purchaser received no later than 6 months after the date of the notice, shall return to the purchaser the purchaser's proportional share of that excess. A contract for a rate-regulated service may not limit the provider to retaining from any surplus generated by that service an amount that is less than 5 percent of the revenue received under the contract. Nothing in this subd. 3. a. shall be construed to guarantee the generation of a surplus by the provider of a rate-regulated service.

b. In calculating under subd. 3. a. the surplus generated by 2 or more affiliated providers, any surplus of combined revenues over allowable costs generated by one or more of those affiliated providers shall be reduced, but not below zero, by any deficit between combined revenues and allowable costs generated by any one or more of those affiliated providers. If after that reduction there remains any net surplus, that net surplus shall be allocated among the affiliated providers that generated a surplus in proportion to the amount of surplus generated by each such affiliated provider and subd. 3. a. shall apply to each such affiliated provider's proportionate share of that surplus.

4. In making the calculations under subds. 2. and 3., if 2 or more providers engage in a merger, acquisition, consolidation, reorganization, sale, or other transfer resulting in a single successor provider, all surpluses generated by a rate-based service or a rate-regulated service provided by a preexisting provider shall be offset against all deficits generated by that service provided by

Vetoed

a preexisting provider and those net surpluses or deficits shall be the surpluses or deficits of the successor provider.

5.
