**SECTION 417.** 950.06 (2) of the statutes is amended to read:

950.06 (2) The costs of providing services under sub. (1m) shall be paid for by the county, but the county is eligible to receive reimbursement from the state for not more than 90 percent of the costs incurred in providing those services. The department shall determine the level of services for which a county may be reimbursed. The county board shall file a claim for reimbursement with the department. The department shall reimburse counties under this subsection from the appropriations under s. 20.455 (5) ~~(f)~~, (k), and (kp) and, on a semiannual basis, from the appropriation under s. 20.455 (5) (g).

**SECTION 9101. Nonstatutory provisions; Administration.**

(1) POSITION TRANSFER TO DEPARTMENT OF TRANSPORTATION.

(a) *Employee transfer.* On the effective date of this paragraph, 1.0 FTE position classified as staff development program specialist—senior in the department of administration and the incumbent employee holding that position is transferred to the department of transportation.

(b) *Employee status.* An employee transferred under par. (a) has all the rights and the same status under ch. 230 in the department of transportation that the employee enjoyed in the department of administration before the transfer. Notwithstanding s. 230.28 (4), no employee transferred under par. (a) who has attained permanent status in class is required to serve a probationary period.

(2) **DEPARTMENT OF WORKFORCE DEVELOPMENT CLEARING ACCOUNT DEFICIT.** The department of administration shall identify amounts from general purpose revenue appropriations to executive branch state agencies in fiscal year 2021–22 that can be used to reconcile the unresolved clearing account deficit reported by the department of workforce development at the close of the 2019–20 fiscal year. The department of workforce development and the department of administration shall submit a request under s. 13.101 (4) to transfer the amounts so identified in this subsection to the appropriation under s. 20.445 (1) (a) no later than March 1, 2022.

(3) ASSISTANT DISTRICT ATTORNEYS; PAY PROGRESSION. Notwithstanding s. 230.12 (10) (c), any pay progression adjustment for assistant district attorneys made during the 2021–23 fiscal biennium shall be made in the first pay period that occurs after January 1, 2022 and January 1, 2023.

(4) ASSISTANT STATE PUBLIC DEFENDERS; PAY PROGRESSION. Notwithstanding s. 230.12 (11) (c), any pay progression adjustment for assistant state public defenders made during the 2021–23 fiscal biennium shall be made in the first pay period that occurs after January 1, 2022 and January 1, 2023.

(5) SUPPLEMENTAL PAY PLANS FOR CORRECTIONAL OFFICERS AND CORRECTIONAL SERGEANTS DURING THE 2021–23 FISCAL BIENNIUM.

(a) The administrator of the division of personnel management in the department of administration shall include in the compensation plan under s. 230.12 for the 2021–23 fiscal biennium supplemental pay of \$5 per hour worked for correctional officers and correctional sergeants at any adult correctional institution with a vacancy rate among correctional officers and correctional sergeants of more than 40 percent, as determined by the administrator of the division of personnel management in the department of administration. If a correctional institution that has provided supplemental pay under this paragraph has a vacancy rate among correctional officers and correctional sergeants of 40 percent or less, as determined by the administrator of the division of

(12) PSYCHIATRIC AND BEHAVIORAL HEALTH BEDS. Notwithstanding s. 13.48 (20t) (b), the building commission cannot make a grant to an organization for renovation of an existing mental health facility in Marathon County, as enumerated in sub. (1) (k), under s. 13.48 (20t), unless the department of administration has reviewed and approved plans for the project. Notwithstanding ss. 16.85 (1) and 16.855 (1m), the department of administration cannot supervise any services or work or let any contract for the project. Section 16.87 does not apply to the project.

(13) GRANT FOR PSYCHIATRIC BEDS.

(a) The legislature finds and determines that expanding psychiatric bed capacity as described in par. (b) would greatly benefit state residents by expanding access to timely inpatient mental health treatment and services and allowing public financial resources to be better distributed to more effectively improve delivery of mental health services. It is therefore in the public interest, and it is the public policy of this state, to assist the health system described under par. (b) in expanding psychiatric bed capacity.

(b) In fiscal year 2021–22, the building commission shall award a grant in the amount of \$15,000,000 to a health system that applies to the commission and meets all of the following criteria:

1. The health system has a hospital that is located in Eau Claire County, south of the Chippewa River, and northeast of the intersection of STH 37 and USH 12 and has a hospital in Chippewa County.

2. The health system agrees to expand psychiatric bed capacity by 22 beds between the Eau Claire County hospital and the Chippewa County hospital. A hospital shall give preference in admissions to fill beds added under this subdivision to individuals who meet the criteria for emergency detention under s. 51.15 and who are from Ashland, Barron, Bayfield, Buffalo, Burnett, Chippewa, Clark, Douglas, Dunn, Eau Claire, Iron, Jackson, La Crosse, Lincoln, Marathon, Monroe, Oneida, Pepin, Pierce, Polk, Price, Rusk, Sawyer, St. Croix, Taylor, Trempealeau, Vilas, Washburn, or Wood Counties.

3. The health system identifies measures that it believes will serve the needs of area residents with mental health needs, especially, as a critical component of the measures, in reducing the burden on the Winnebago Mental Health Institute.

4. The health system agrees to annually report to the legislature, in the manner described under s. 13.172 (2), the services provided with the resources funded by the grant awarded under this subsection, including the number of individuals diverted from the Winnebago Mental Health Institute.

5. The health system recognizes that it is liable to repay the grant funds to the state if it fails to continue to maintain the expanded services and number of expanded psychiatric beds available. The amount the health system is liable for repayment is reduced proportionately each year for 10 years of continuing expanded services as described under par. (c).

(c) A determination of continued services shall be based on findings that the health system does all of the following:

1. Maintains an agreed upon number of beds for acceptance of admissions for emergency detention under s. 51.15. The health system is considered to be in compliance with this subdivision if at least half of the expanded psychiatric beds under par. (b) 2. are available for individuals who are initially admitted under an emergency detention under s. 51.15.

2. Enters into a contract with, at minimum, two-thirds of the counties specified in par. (b) 2. in which at least one of the hospitals agrees to do all of the following:

a. **Be the primary receiver for individuals under an emergency detention under s. 51.15 for the county.**

b. Accept for admission under an emergency detention individuals regardless of payment source.

c. Accept any individual subject to an emergency detention from the county unless all psychiatric beds added under par. (b) 2. are filled. The hospital may set its payment rate based on the acuity of the individual being detained.

d. Ensure the county department is the secondary payer after any other coverage the individual has is exhausted.

**Vetoed

**SECTION 9119. Nonstatutory provisions; Health Services.**

(1) POSITION TRANSFER TO THE DEPARTMENT OF ADMINISTRATION.

(a) *Employee transfer.* On the effective date of this paragraph, 1.0 FTE position classified as equal opportunity specialist—senior in the department of health services and the incumbent employee holding that position is transferred to the department of administration.

(b) *Employee status.* An employee transferred under par. (a) has all the rights and the same status under ch. 230 in the department of administration that the employee enjoyed in the department of health services before the transfer. Notwithstanding s. 230.28 (4), no employee transferred under par. (a) who has attained permanent status in class is required to serve a probationary period.

(2) SURGICAL QUALITY IMPROVEMENT GRANT. From the appropriation under s. 20.435 (1) (b), the department of health services may award a onetime grant of \$335,000 in fiscal year 2021–22 to support surgical quality improvement activities. Notwithstanding ss. 20.001 (3) (a) and 20.002 (1), the department of health services may transfer moneys appropriated for the purpose described under this subsection from fiscal year 2021–22 to fiscal year 2022–23.

(3) GRANTS FOR EMPLOYER BLOOD DRIVES.

(a) *Definitions.* In this subsection:

1. “Blood donation” means the voluntary and uncompensated donation of whole blood, or specific components of blood, by an employee of the organizing employer that is drawn for use by a nonprofit blood bank organization.

2. “Blood drive” means a function that is held at a specific date and time, is organized by a nonprofit blood bank organization in coordination with an employer, and is open only to individuals who are employees of the employer.

(b) *Award.* From the appropriation under s. 20.435 (1) (b), the department of health services shall award grants to employers who apply to the department to organize blood drives. **The department shall award grants equal to \$20 per blood donation.** The department cannot award more than \$250,000 in grants in any fiscal year. **The department may award a grant to an employer under this subsection only if the employer retains documentation of each blood donation.**

(c) *Duration.* This subsection does not apply after June 30, 2023.

(4) MEDICAL ASSISTANCE REIMBURSEMENT FOR DIRECT CARE. From the increase in reimbursement paid by the department of health services under the Medical Assistance program to nursing facilities and to intermediate care facilities for persons with an intellectual disability, in each fiscal year, the department shall increase by \$20,000,000, as the state share of payments, plus the matching federal share of payments, to support the staff in those facilities who perform direct care to residents.

(5) MEDICAL ASSISTANCE RATE INCREASE FOR NURSING IN HOME HEALTH AGENCIES. For dates of services beginning January 1, 2022, the department of health services shall increase the Medical Assistance rates paid for nursing care in home health agencies that are licensed under s. 50.49 to support licensed practical nurses, registered nurses, and nurse practitioners in those agencies. For the first fiscal year of this biennium, the rate increase under this subsection shall be by a budgeted sum of \$473,300, as the state share of payments, and provide the matching federal share of payments. For the second fiscal year of this biennium, the rate increase under this subsection shall be by a budgeted sum of \$960,200, as the state share of payments, and provide the matching federal share of payments.

(6) MEDICAL ASSISTANCE REIMBURSEMENT RATE INCREASE FOR DIRECT CARE IN PERSONAL CARE AGENCIES. The department of health services shall increase the Medical Assistance rates paid for direct care to agencies that provide personal care services to support staff in those agencies who perform direct care. For the first year of this fiscal biennium, the rate increase under this subsection shall be by a budgeted sum of \$7,584,400, as the state share of payments, and the matching federal share of payments. For the second year of this fiscal biennium, the rate increase under this subsection shall be by a budgeted sum of \$23,557,700, as the state share of payments, and the matching federal share of payments.
