Rate Announcement: Records Center Service and Storage Rates

Active Rate Effective Date: July 1, 2023

Active Rate Expiration Date: June 30, 2025

Destruction Date: Upon the expiration of the current active rate

Pursuant to s. 16.61, Wis. Stats., the Public Records Board, attached to and administered by the Department of Administration, or Department, provides public records management, records storage/retrieval, records policy development/administration, and other records-related services to state agencies. Services are provided by the Department's Division of Facilities and Transportation Services (DFTS), Bureau of Enterprise Fleet, State Records Center (SRC).

The SRC stores agency records and provides efficient reference services to the records housed at the Center. The statutory authority for expenditures and the collection of revenue for these services is provided under s. 20.505 (1) (kb), Wis. Stats., Transportation, records and document services.

The revised rates schedule for the SRC service and storage functions are as follows:
