In-Person Worker's Compensation Hearings Resume in Appleton

The Office of Worker's Compensation Hearings will resume in-person hearings at its location at 54 Park Place in the city of Appleton as of the first week of May 2021. We have modified the hearing room, after consulting with a city of Appleton health officer, to ensure physical distancing at over six feet (and generally over 10 feet) between hearing participants in most instances, with plexiglass barriers between the parties and their respective attorneys. Arrangements have also been made to accommodate "hybrid" hearings in which one or more witnesses may appear remotely by videoconferencing.
