## **Agency Functions and Organization:**

**Functions:** The primary mission of the Wisconsin Employment Relations Commission (WERC) is to promote peaceful labor relations and collective bargaining throughout the State of Wisconsin and thereby avoid the costly consequences of strikes and lockouts and other interruptions of services and production. To accomplish its mission, the WERC has jurisdiction over certain private sector labor relations matters under the Wisconsin Employment Peace Act (WEPA) (Subchapter 1, Chapter 111, Wis. Stats.), over municipal labor relations under the Municipal Employment Relations Act (MERA) (Subchapter IV, Chapter 111, Wis. Stats.), over state labor relations under the State Employment Labor Relations Act (SELRA) (Subchapter V, Chapter 111, Wis. Stats.), and over appeals of certain state personnel actions under Sec. 230.45 (1), Stats. The WERC's labor relations work includes conducting elections to determine bargaining units and bargaining representatives and conducting referenda regarding maintenance of membership, and fair share agreements; issuing decisions regarding unfair labor practice, election, unit clarification, and declaratory ruling cases; mediating collective bargaining disputes; and providing arbitration services for grievances arising over the interpretation and application of existing collective bargaining agreements. The WERC also issues decisions regarding appeals of certain state personnel actions, and provides labor management consensus bargaining training, designed to enable the parties to work together to achieve common goals.

**Organization:** The WERC consists of three Commissioners appointed by the Governor, with the consent of the Senate, for six-year terms with one Commissioner designated by the Governor to serve as Chairperson for a two-year term. The WERC also has a staff of professional hearing examiner/mediator/arbitrators, as well as administrative support personnel. The Agency's organization is charted as follows:

**WISCONSIN EMPLOYMENT RELATIONS COMMISSION  
Organization Chart**

**Performance and Operations during the Biennium:**

During the biennium, the WERC staff consisted of 16 professional employees, and 4.5 administrative support staff. The WERC has continued to follow a strategic plan that expresses its commitment to improving the quality and the timeliness of its services and to actively seeking the input of the users of the WERC's services in this regard.

**Major Program Goals and Objectives:**

The WERC has established a performance measure by which the timeliness and effectiveness of service delivery can be evaluated (See Appendix A). Using those performance measures, the WERC continues to provide excellent mediation services, but needs to improve the timeliness of decision issuance and of the processing of personnel appeals.

Technology development continues to be a goal of the agency. The content of the website maintained by the WERC (<http://werc.wi.gov>) has been expanded to include substantial full-text searchable archives of labor relations decisions, grievance awards, municipal interest awards and personnel appeal decisions. The WERC's grievance

awards and labor relations decisions continue to be made available on the State Bar of Wisconsin's website, as well. The WERC has encouraged its personnel and its customers to make use of e-mail whenever possible, and the WERC's new rules are designed to remove obstacles to the use of e-mail in nearly all aspects of communication to and from the WERC.

### **Flexible Time Work Schedules**

Because many of those served by the WERC are members of locally elected governing bodies, a good deal of the work is performed in the evening or at late afternoon meetings in locations throughout the State. This requires all Commissioners and professional staff to have flexible working hours and to coordinate meeting, hearing, and writing schedules. With a very high professional-to-support staff ratio, support staff hours and schedules are occasionally adjusted to meet the needs of the WERC and to respond to the normal operating hours expected of State agencies. In addition, support staff employee hours are adjusted from time to time to accommodate the personal/family needs of those employees.

### **Biennial Caseload Summary**

During the 2009 – 2011 biennium there were 1,809 new cases filed with the WERC and 1,928 cases closed. Included within the closed cases were 48 in which the Commission conducted representation votes. The Commission itself issued 92 decisions (including 45 personnel appeal decisions), the Commissioners and professional staff issued an aggregate of 263 grievance arbitration awards, and the professional staff issued 30 unfair labor practice/prohibited practice decisions.

Among the cases closed during the biennium were 704 mediation-type cases, 596 of which were voluntarily settled/closed without the need for an interest arbitration award or fact finder recommendation.

During the biennium 111 personnel appeal-type cases were closed, including 29 classification cases, 44 discipline cases, 17 non-selection cases, and 21 cases in other personnel appeals areas.

### **Court Activity During the Biennium**

During the biennium, decisions from the Wisconsin Courts yielded a final disposition of 6 Commission cases. At the Circuit Court level, 4 decisions affirmed the Commission's decision. At the Court of Appeals, 2 Commission decisions were reversed.

## PERFORMANCE MEASURES

### 2010 AND 2011 GOALS AND ACTUALS

Prog. No.	Performance Measure	Goal 2010	Actual 2010	Goal 2011	Actual 2011
1.	Percentage of grievance awards issued by attorney-mediator staff and commissioners in compliance with time guidelines.	85%	77%	85%	66%
1.	Percentage of labor relations decisions issued by attorney-mediator staff, commissioners or commission in compliance with time guidelines.	90%	77%	90%	73%
1.	Percentage of mediation-type cases closed without interest arbitration award or fact finding recommendation.	90%	88%	90%	95%
1.	Median number of calendar days from opening to closing of Personnel appeal cases.	170	218		
1.	Percentage of personnel appeals and drafts issued by attorney-mediator staff, commissioners or commission in compliance with time guidelines. <sup>1</sup>			90%	89%

Note: Based on fiscal year.

<sup>1</sup>Previously the Commission has tracked its performance regarding its personnel appeal jurisdiction by counting the number of days from opening to closing each case. That measure was appropriate while the Commission was adjusting to the newly-added personnel appeal work load, because the agency's goal was to gradually reduce the amount of processing time attributable to training and learning the new material. At this time the agency has had sufficient experience with personnel appeals to allow the agency to begin tracking its performance in personnel appeals the same way it tracks its performance in other statutory areas, i.e., in terms of the percentage of written drafts and decisions that meet timeliness standards.
