Decision Item (DIN) - 5001
Decision Item (DIN) Title - Utility Taxes Certified Mail

## NARRATIVE

The Department requests the authority to send ad valorem tax assessments and bills in the manner of its choosing. Ad Valorem companies already use My Tax Account to view other statements and pay bills. This proposal will reduce duplicative work and save the department money on mailing costs. Please see attached legislative proposal.

## TITLE: UTILITY TAXES - CERTIFIED MAIL FOR AD VALOREM COMPANIES

## DESCRIPTION OF CURRENT LAW AND PROBLEM:

Currently, by statute, the Chapter 76 ad Valorem tax assessments and bills are to be sent certified mail. This change would allow the state to send the assessments without the need or cost of certified mail.

Telecom has moved the billing and collection operations to WINPAS and My Tax Account. Hopefully in the near future the remaining tax types in Chapter 76 will also move at least the billing operations to WINPAS / My Tax Account.

DOR currently sends the taxpayer all final assessments and billing statements by email and regular mail. The need to send by certified mail is unnecessary and is cost and time prohibitive.

## RECOMMENDATION FOR ACTION

Remove the certified mailing requirement in Chapter 76.

## IMPACT ON JOBS CREATION

This proposal has no effect on job creation
FISCAL EFFECT
$\$ 1,500-\$ 4,000$ annually in savings. This includes cost of sending certified mail and staff time/costs for organizing the mailing.

## DRAFTING INSTRUCTIONS

Strike requirement to send by certified mail from secs. 76.07(2), 76.08(1), 76.10(1), 76.13(2), 76.15(2):
76.07 Assessment. (3) For the purpose of determining the full market value of the property of each company appearing on the assessment roll, the department may view and inspect the property of such company and shall consider the reports filed in compliance with s. 76.04 and the reports and returns of the company filed in the office of any officer of this state, and other evidence or information bearing upon the full market value of the property of the company assessed. In case of companies which own or use property lying partly within and partly without the state, the department shall value and assess only the property within this state, using the methods under subs. $(4 \mathrm{~g})$ and $(4 \mathrm{r})$. When the full market value of the property of a company within this state has been determined, the amount shall be entered upon the assessment roll opposite the name of the company and shall be the assessment of the entire property of such company within this state for the levy of taxes thereon, subject to review and correction. The department shall thereupon give notice by certified mail to each company assessed of the amount of its assessment as entered upon such roll.
76.08 Review of assessment. (1) Notice of the assessments determined under s. 76.07 and of adjustments under s. 76.075 shall be given by certified mail to each company the property of which has been assessed, and the notice of assessment shall be mailed on or before the assessment date specified in s. 76.07 (1). Any company aggrieved by the assessment or adjustment of its property thus
made may have its assessment or adjustment redetermined by the Dane County circuit court if within 30 days after notice of assessment or adjustment is mailed to the company under s. 76.07 (3) an action for the redetermination is commenced by filing a summons and complaint with that court, and service of authenticated copies of the summons and complaint is made upon the department of revenue. No answer need be filed by the department and the allegations of the complaint in opposition to the assessment or adjustment shall be deemed denied. Upon the filing of the summons and complaint the court shall set the matter for hearing without a jury. If the plaintiff fails to file the summons and complaint within 5 days of service upon the department, the department may file a copy thereof with the court in lieu of the original. The department may be named as the defendant in any such action and shall appear and be represented by its counsel in all proceedings connected with the action but, on the request of the secretary of revenue, the attorney general may participate with or serve in lieu of departmental counsel. In an action for redetermination of an adjustment, only the issues raised in the department's adjustment under s. 76.075 may be raised.
76.10 Review of state assessment; notice of hearing; decision; time limits; notice of decision; action to review decision; error adjusted. (1) Every company defined in s. 76.02 shall, on or before October 1 in each year, be entitled, on its own motion, to present evidence before the department relating to the state assessment made in the preceding year pursuant to s. 70.575 . On request, in writing, for such hearing or presentation, the department shall fix a time therefor within 60 days after such application is filed, the same to be conducted in such manner as the department directs. Notice of such hearing shall be mailed to any company requesting a hearing and shall be published in the official state paper. Within 30 days after the conclusion of such hearing the department shall enter an order either affirming the state assessment or ordering correction thereof as provided in sub. (2). A copy of such order shall be sent by-certified mail to the company or companies requesting such hearing and to any interested party who has made an appearance in such proceeding. The department may, on its own motion, correct such state assessment. Any company having filed application for review of the state assessment pursuant to this section, or any other interested party participating in such hearing, if aggrieved by the order entered by the department, may bring an action in the circuit court for Dane County within 30 days after the entry of such order to have said order set aside and a redetermination made of the state assessment. In any such action or in any hearing before the department pursuant to this section, any interested party may appear and be heard. An interested party includes any division of government whose revenues would be affected by any adjustment of the state assessment.
76.13 Levy; tax roll; lien. (2) Every tax roll upon completion shall be delivered to the secretary of administration. The department shall notify, by certified mail, all companies listed on the tax roll of the amount of tax due, which shall be paid to the department. The payment dates provided for in sub. (2a) shall apply. The payment of one-fourth of the tax of any company may, if the company has brought an action in the Dane County circuit court under s. 76.08, be made without delinquent interest as provided in s. 76.14 any time prior to the date upon which the appeal becomes final, but any part of the tax ultimately required to be paid shall bear interest from the original due date to the date the appeal became final at the rate of 12 percent per year and at 1.5 percent per month thereafter until paid. The taxes extended against any company after the same become due, with interest, shall be a lien upon all the property of the company prior to all other liens, claims, and demands whatsoever, except as provided in ss. 292.31 (8) (i) and 292.81, which lien may be enforced in an action in the name of the state in any court of competent jurisdiction against the property of the company within the state as an entirety.
76.15 Reassessment. (2) Every tax roll upon completion shall be delivered to the secretary of administration. The department shall notify, by certified mail, all companies listed on the tax roll of the amount of tax due, which shall be paid to the department. The payment dates provided for in sub. (2a) shall apply. The payment of one-fourth of the tax of any company may, if the company has brought an action in the Dane County circuit court under s. 76.08, be made without delinquent interest as provided in s. 76.14 any time prior to the date upon which the appeal becomes final, but any part of the tax ultimately required to be paid shall bear interest from the original due date to the date the appeal became final at the rate of 12 percent per year and at 1.5 percent per month thereafter until paid. The
taxes extended against any company after the same become due, with interest, shall be a lien upon all the property of the company prior to all other liens, claims, and demands whatsoever, except as provided in ss. 292.31 (8) (i) and 292.81, which lien may be enforced in an action in the name of the state in any court of competent jurisdiction against the property of the company within the state as an entirety.

# Decision Item (DIN) - 5002 <br> Decision Item (DIN) Title - Manufacturing Charge to Local Governments 

## NARRATIVE

The Department requests the authority to simplify the payment to DOR of the annual Manufacturing charge by local governments by moving it to an electronic deduction from shared revenue, thereby creating efficiencies. See attached legislative proposal.

## TITLE: MANUFACTURING PROPERTY ASSESSMENT CHARGE TO LOCAL GOVERNMENTS

## DESCRIPTION OF CURRENT LAW AND PROBLEM Current Law:

- Section 70.995 14(a) imposes an annual fee on each municipality with property assessed as manufacturing by DOR.
- The fee is based on the municipality's equalized value of manufacturing property and $50 \%$ of the budgeted cost for manufacturing (Appr 23100).
- The manufacturing fee is billed to municipalities in the fall.
- Municipalities are to return the invoice voucher with payment to the bank (drop box).
- If the municipality does not pay by March $31^{\text {st }}$ of the following year, section 70.995 14(b) directs the department to "...reduce the distribution made to the municipality under $79.02(2)(b)$ by the amount of the fee."

## Problems:

- Many of the calculate fees are minimal (example from 2017).

| 2017 MFG Fees - range from \$ 0.01 to \$61,703.06 |  |  | Fee Total | AVG Fee | \% of Budget |
| :---: | :---: | :---: | :---: | :---: | :---: |
| 91 | 7.0\% | are $>0$ and less or equal to \$1.00 | \$ 26.55 | \$ 0.29 | 0.002\% |
| 247 | 19.0\% | are $>0$ and less or equal to \$10.00 | \$ 779.63 | \$ 3.16 | 0.065\% |
| 367 | 28.3\% | are $>0$ and less or equal to \$20.00 | \$2,526.39 | \$ 6.88 | 0.211\% |
| 440 | 33.9\% | are $>0$ and less or equal to \$30.00 | \$4,350.48 | \$ 9.89 | 0.364\% |

- In 2017, 28.3\% (367) of the 1,298 municipal fee bills issued were less than or equal to $\$ 20.00$. The total amount of these bills was $\$ 2,526.39$, or $0.211 \%$ of the budgeted amount for manufacturing assessment in Appr $231000(\$ 1,195,200)$. The costs associated with bill production, mailing, and payment processing likely exceed the amount of these fee bills.
- Payments are often mailed after the March 31 deadline, mailed to the wrong location and/or without the voucher (to DOR rather than the bank). This makes tracking payments problematic.
- There is no option for direct/electronic payment.
- Bills and vouchers must be printed and mailed by DOA Print.

## RECOMMENDATION FOR ACTION

Revise section 70.995 14(b). Eliminate the option for a municipality to pay the manufacturing assessment fee by check and make the amount of the fee an automatic credit/debit to municipal shared revenue payments.

1. Modify sec. 70.995(14)(b) to make all manufacturing assessment fees calculated under sec. 70.995(14)(a) a direct reduction in the shared revenue distribution under sec. 79.02(2)(b). Municipalities without a shared revenue distribution would be billed.

Items - Describe proposed changes (excl. SBAs) to reach target or other priorities of agency

Proposal under s. 16.42(4)(b)1.: 5\% change in each fiscal year
FY:
FY22
Agency: DOR-566
Exclusions: Federal
Debt Service
Columns A-G were prepopulated for agencies to reflect state operations adjusted base and reductions agreed to by DOA and LFB. See Appendix H for instructions on how to complete these templates.
Proposed \$ and Proposed FTE columns reflect total agency proposed spending and positions for indicated fiscal year. These amounts should include standard budget adjustments (SBAs), any proposed
reallocations or reductions to meet the target, and any other requests that the agency would want considered under this proposal.
Appropriations with zero dollars and zero FTEs are not loaded into the template. If you have any questions, contact your SBO analyst.
IF YOUR AGENCY PLANS TO TAKE THE SAME CUTS OVER BOTH YEARS, YOU SHOULD ONLY FILL OUT ONE GRID FOR 0\% GROWTH AND ONE GRID FOR 5\% REDUCTION, THEN CHANGE FY22 TO FY22 AND 23.

## Difference $=$

Should equal \$0
$1 \quad$ Fiscal effect of 38.0 FTE reduction is greater than $\$ 30$ million loss of revenue each fiscal year

See Addendum Tab labeled 1b for statement
2 Programs that have ended but still need some budget authority for processing audit assessments, refunds, and district payments 3 The amount reflects $5 \%$ of the budget authority
4 Adjustment for unused supplies \& services due to efficiencies from changes in process and decrease in demand
5 The department no longer outsourcing these services, reducing contract and membership fees

## Should equal \$0

1 Fiscal effect of 38.0 FTE reduction is greater than $\$ 30$ million loss of revenue each fiscal year See Addendum Tab labeled 1b for statement
2 Programs that have ended but still need some budget authority for processing audit assessments, refunds, and district payments
3 The amount reflects $5 \%$ of the budget authority
4 Adjustment for unused supplies \& services due to efficiencies from changes in process and decrease in demand
5 The department no longer outsourcing these services, reducing contract and membership fees

While we faithfully completed our Act 201 exercise of identifying 5\% cuts, the Department of Revenue believes it would be far more prudent to add tax collection agents, which would produce greater revenue. In fact, because of previous budget cuts to this Department over the years, the department is not in a position to make any significant cuts without potentially jeopardizing the revenue we generate for the entire state. In the event that discussions about budget cuts becomes necessary, we recommend having a conversation about the addition of tax collection agents, which on average have a return on investment of 10:1 in the first year, with growth as the agents become more experienced. .
